INTRODUCTION

On September 6, 2012, the Board of County Commissioners adopted the Fiscal Year 2013 Missoula County Budget. The budget includes all funds of Missoula County legally requiring an adopted budget. Attachments A, B, C and D at the end of this introductory section provide a summarized version of the authorized expenditures for each fund and department. The attachments are preceded by the resolution adopting the budget and setting the mill levies. The line item detail for each fund and department appears in the section labeled Budget Detail. Finally, the last section of the budget document contains the 2013 budget for the rural special improvement districts.

This document includes only the budget for Missoula County. It does not include budgets for any other taxing jurisdictions within the County, such as the City of Missoula, school districts, fire districts or other special districts. The boards of trustees of those entities are responsible for adoption of budgets for those jurisdictions.

ECONOMIC CONDITIONS

External

This has been a long recession for the Missoula County economy. But the end may finally be in sight. The latest data for employment show definite growth during 2012 while corresponding figures for inflation adjusted-wages also turned upward, but with significant volatility. This follows three years of declines from 2007 to 2010 and only miniscule growth in 2011. Missoula's growth over the past decade was slower than during the previous three decades. Missoula County remains the trade and service center for western Montana, but the relative importance of retail trade has declined while the contribution of other services (which includes health care) has risen. The University of Montana and other state government constitute 21% of the labor income in basic industries followed by federal government (15%), trade center medical accounted for 14%, trade center (other services) came in at 12%, transportation dropped to 11%, non-resident travel is on the rise at 7%, wood and paper products dropped to (8%), transportation (13%), and nonresident travel is on the rise at 7%, trade center retail, wholesale has dropped to 7% and other basic services are 6% of labor income.

According to statistics and information provided by the University of Montana Bureau of Business and Economic Research, projected growth (based on nonfarm labor income) will increase from .6% in 2011 to 2.0% in 2012. Growth projections for 2013 through 2016 are 2.4%. Driving this growth is the University of Montana, trucking and rail, an increase in non-resident travel and health care.

Missoula County according to the Montana Department of Revenue saw a 3.27% increase in the amount of newly taxable property, this compared to a 36% decrease in the prior year. Indications are that the Missoula County economy has finally turned the corner. The wood and paper mills that shut down have now been absorbed into the tax base. There is now new industry taking advantage of the old mill sites, starting with the former Stimson mill site in Bonner. Now located at the site is a large wood chipping operation, a large paint and siding production facility and most recently a major manufacturer of custom travel trailers is in the process of moving to the site. The County has positioned itself well for the prior year's reduction in property tax revenue. The County's ability to sustain the downturns has to do with the conservative financial policies set by the Board of County Commissioners. The foremost being the requirement that all County Departments maintain structurally balanced budgets, defined as using only on-going

revenue to fund on-going expenses. This policy along with cash reserve requirements for each department based on a percentage of projected annual revenues has provided Missoula County with sustainable budgets now and into the future. As a result in the Commissioners were able to adopt a minimal property tax increase of 1.7% in the 2013 budget over the prior year with an increase of 3.02 mills.

<u>Internal</u>

The Board of County Commissioners budget priorities include the continued maintenance of strong cash reserves and the funding of major capital projects, notably the execution of the County's space needs capital improvement program. The County has pressing needs for the expansion of facilities that currently house the public safety and criminal justice functions of the County. The County will begin the re-construction of the Courthouse Annex and the Courthouse in October of 2013 with the first priority being the ability to build a new state of the art 911 center which is funded to very large degree by Federal grants. The County Attorney offices on the 4th floor of the annex will be the next area to be expanded, followed by the new combined offices of the County Clerk, Recorder and Treasurer Offices on the first floor of the annex. The entire build-out which will include new HVAC systems, emergency generators, Sheriff Offices, remodeled Courtrooms, new mediation rooms and staff offices is scheduled to continue through 2016. The project team is building to LEEDS standards with all the applicable procedures in place. The County has raised 1 mill in each of the last three fiscal years to pay for the project with 1 additional mill to be added next fiscal year. The County maintained its strong financial position by the end of 2012. General Fund equity was \$2,884,112 at June 30, 2012 compared to \$1,995,597 at the end of fiscal year 2010. However, budgeted ending General Fund equity for 2012 is \$2,579,332 due to a planned drawdown of General Fund reserves. For fiscal year 2013, the Commissioners have again established a General Fund reserve of 12% of total revenues. Public Safety reserve requirements remain at 8%, Special Fund reserve requirements remain at 5% of total revenues and the Community Based Organization funds have a 3% requirement.

2012 FINANCIAL HIGHLIGHTS

- Development Park
 - The infrastructure improvements in the Tax Increment District totaled approximately \$960,000.
- Capital Improvement FY2012 projects:
 - Completed the Records Warehouse located at the 2147 Ernest which will house all Missoula County's critical documents and allow the public to come in and research County records.
 - Completed the widening of Miller Creek road at a cost of \$2.1 million dollars, funded entirely by the Federal Government and private developers.
 - The Partnership Health Center was awarded a \$5 million dollar grant to expand their current facility by another 27,000 square feet for a total of 48,000 square feet to house Missoula's first medical residency program, only the second in the State of Montana.
 - Completed the phase 2 Design and Construction documents for the Courthouse/Annex renovation.
- <u>Technology Program</u> 2012 projects included the implementation of a permit processing system built from the County's electronic content management system.

• <u>Health Insurance</u> - The County's self-insured health plan will continue to have financial challenges as the new National Health care program is rolled out. All the particulars are not completely understood however it does appear that it will put additional pressure on the County health care costs and as a result the County's health insurance reserve balances.

2012 ISSUES & CHALLENGES

<u>Technology</u> - The 2012 budget funding for a new Electronic Content Management System (ECMS) was partially diverted for the programming of a permit approval system following the separation of the joint City and County planning functions. The permit system will be finished early in 2013 and the County plans to continue on the rollout of an Electronic Content Management system. The system is intended to increase efficiencies through the movement of documents through the County electronically using designated processes. The County's documents will now be stored in a digital format making access by staff and the public much easier and saving the cost of storing and retrieving paper documents. This project will be combined with a new web content management system to increase the efficiency with which the County communicates with its residents.

<u>Space Planning</u> – With the addition of the former Garlington, Lohn and Robinson building to the County as its new Administrative building the modification of existing County facilities can begin. The County administrative functions have moved into the new admin building and work will begin on the Courthouse and Annex buildings in fall 2012. The anticipated completion date will be early 2016.

<u>Public Safety</u> – The Public Safety budget was augmented by 1 mill to balance this year due to the increases Sheriff's department and Detention center officer salaries. The ongoing salaries and health care costs of the Public Safety staff in times when the property values rise much slower puts pressure on the Public Safety budget. The Public Safety budget is now larger than the General Fund budget.

TAXABLE VALUE AND MILL LEVIES

The following table shows taxable value and mill levy information for property Countywide and outside the City limits:

| | Count | ywide | Rura | l-only |
|---------------------------------|-------------|-------------|------------|------------|
| | 2013 | 2012 | 2013 | 2012 |
| Taxable Value | 203,566,584 | 202,300,827 | 90,868,629 | 91,505,112 |
| Value of Newly Taxable Property | 3,698,350 | 3,581,403 | 2,393,694 | 1,680,025 |
| Value of One Mill | 196,534 | 194,561 | 88,367 | 88,880 |
| Property Tax Revenues | 29,140,906 | 28,298,698 | 3,214,499 | 3,215,985 |
| Number of Mills Levied | 148.34 | 145.52 | 36.38 | 36.18 |

The following table shows the changes in tax revenue and mills for 2012:

| | County-wide | Mills | Rural-only | Mills |
|--|--------------|--------|-------------|--------|
| Total Property Taxes Assessed – Prior Year | \$28,298,698 | 145.52 | \$3,215,985 | 36.18 |
| Current Year Property Taxes Attributable to Floating Mill* | 328,850 | 1.63 | 38,543 | 0.42 |
| Current Year Property Taxes Attributable | | | | |
| To Newly Taxable Property** | 527,087 | - | 89,852 | - |
| Change in mills due to changes in taxable value from | | | | |
| sources other than newly taxable property*** | - | (2.49) | - | (0.62) |
| New Levy Authority: | | | | |
| General Fund | 461,855 | 2.35 | - | - |
| Public Safety | 196,534 | 1.00 | | - |
| Risk Management | 35,376 | 0.18 | | |
| Aging | 29,480 | 0.15 | | |
| Road | | | 12,371 | 0.14 |
| Health | | | 4,418 | 0.05 |
| Total Property Taxes Assessed – Current Year | \$30,758,146 | 148.34 | \$3,214,499 | 36.17 |

^{*} The "Floating Mill" represents changes in tax revenue attributable to the inflation factor provided in MCA 15-10-420 and the change in certain state personal property tax reimbursements.

^{**} Newly Taxable Property represents changes in property within the County provided by the Montana Department of Revenue. Generally an increase to the tax base and not to the mills levied.

^{***} MCA 15-10-420 limits local governments' ability to increase mill levies beyond the prior year's dollars levied (with certain exceptions). Therefore any change in taxable value that is not from newly taxable property, such as with reappraisal, has the effect of increasing or decreasing mills in order to raise the same amount of dollars.

BUDGET PARAMETERS

Missoula County department heads were given the following parameters in preparing their budget requests:

- 1. Assume that tax related revenues would grow by 1% in 2013, in addition to an increase in the Entitlement Share due to the reimbursement of Class 8 property taxes
- 2. A department that receives non-tax revenue must absorb any reduction in that revenue.
- 3. <u>Salary increases</u> in an effort to enhance salaries at the lowest levels of the pay scale and still maintain competitive salaries in the marketplace.
 - 2.5% increase in base building pay
- 4. Operation expenditures were set at the prior year's level. Any increase must come in the form of an enhancement request.
- 5. All capital requests must come in the form of an enhancement request. Capital requests in excess of \$25,000 are considered for the Capital Improvement Program. Smaller capital requests are included in each department's budget.
- 6. The County's goal is to maintain a 5% cash reserve in the Special Funds, except Public Safety which is set at 8% and the Community Based Organization funds set at 3%. The General Fund cash reserve has been set at 12%. Funds not meeting these requirements would be required to revise their budgets year until the threshold is met.

BUDGET PROCESS

The Fiscal Year 2013 budget process started in April 2013. Departments were asked to submit budgets within the parameters set by the Board of County Commissioners and to submit enhancement requests forms for any increases in the budget beyond the parameters. The Commissioners also established budget priorities in order to rank enhancement requests for approval.

Early in the process, it was determined that there would be some on-going and one-time revenues available to fund enhancement requests. The Commissioners set the priorities as:

- 1. Maintenance of cash special fund reserve targets, including the general fund reserve requirement of 12% of total revenues.
- 2. Funding of critical need items including statutorily or contractually required requests and items in the departments' strategic plan.
- 3. Funding of critical need capital expenditures focusing on life-safety compliance and major repairs.

4. Items that will greatly improve departmental efficiency and long-term cost savings.

The budget process also includes a performance indicator initiative in order to identify departmental growth and program results with non-financial indicators. 2012 is the fifth year of implementation and key indicators are requested from the departments on a voluntary basis. The requests were limited to statistics only. Goal-setting and benchmarking measures will be considered for implementation in future years. This information will be used to make more informed decisions during the budget process, especially regarding enhancement requests. Performance measure information for the participating departments is included in the narrative preceding the statement of budget in the attached budget detail.

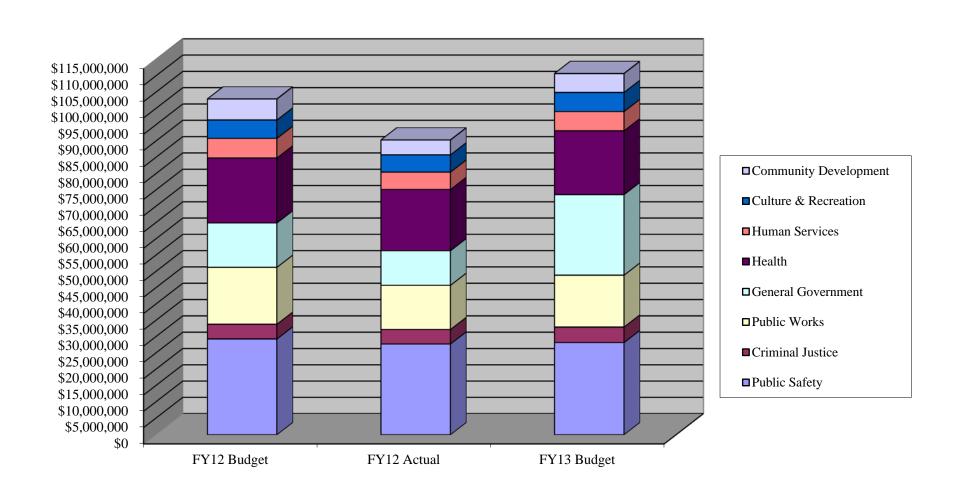

One preliminary hearing was held on July 30, 2012 and the final budget hearing was held on August 27, 2012. The budget was adopted on September 6, 2012 after the Commissioners made final adjustments based on the testimony they received at the hearings.

FINANCIAL INFORMATION AND MAJOR INITIATIVES

It is most useful to look at Missoula County's Fiscal Year 2012 Budget in terms of functional areas, and how it compares with the Fiscal Year 2011 budgeted and actual expenditures. The following table demonstrates how funds were appropriated in Fiscal Year 2012, what was actually spent that year, and how they were appropriated in Fiscal Year 2013. In the following two charts, administrative costs such as accounting, human resources, information systems and risk management are allocated across all functions in proportion to their direct expenditures. Allocated administrative costs represent 6.9% of the total fiscal year 2013 budget. Transfers out to other funds are eliminated so expenditures are not overstated. Debt service is included in the function receiving the greatest benefit. The Health Insurance, Excess Loss, Flexible Benefits and Workers Compensation self-insurance funds, Central Services, and Telephone Services are funded by charges to other departments, and, consequently, are excluded here to avoid double counting of expenditures. Percentages indicate each area's percentage of the total County budget.

| | | | | ıdited ditures | FY2013 Adopted Budget | |
|-----------------------|-------------|--------|------------|-------------------|--------------------------|--------|
| Public Safety | 29,397,346 | 28.5% | 27,853,219 | 30.8% | 28,293,073 | 25.5% |
| Criminal Justice | 4,517,086 | 4.4% | 4,448,328 | 4.9% | 4,749,070 | 4.3% |
| Public Works | 17,464,513 | 17.0% | 13,547,598 | 15.0% | 15,913,458 | 14.4% |
| General Government | 13,609,055 | 13.2% | 10,619,511 | 11.7% | 24,721,221 | 22.3% |
| Health | 19,926,347 | 19.3% | 18,772,049 | 20.8% | 19,567,747 | 17.7% |
| Human Services | 6,027,992 | 5.9% | 5,347,003 | 5.9% | 5,915,673 | 5.3% |
| Culture & Recreation | 5,633,313 | 5.5% | 5,296,389 | 5.9% | 5,864,602 | 5.3% |
| Community Development | 6,436,658 | 6.2% | 4,549,645 | 5.0% | 5,794,891 | 5.2% |
| | 103,012,310 | 100.0% | 90,433,742 | 100.0% | 110,819,735 | 100.0% |

Missoula County Comparison of Expenditures by Function

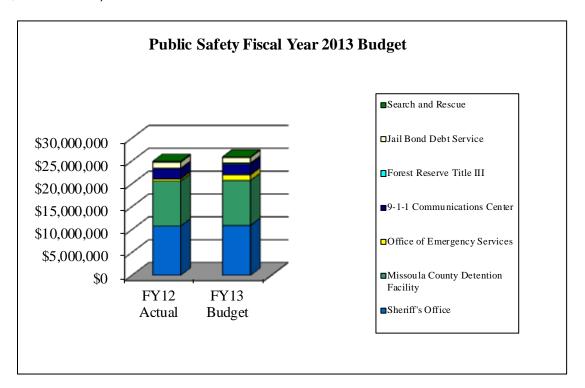

Total Expenditures

The following departmental narratives discuss each department's budget as an independent County unit. Therefore, administrative costs are not allocated and inter-fund transfers are not eliminated in order to reflect each department's direct and controllable expenditures (certain intradepartmental transfers are excluded to prevent the double counting of expenditures).

Public Safety

The public safety function is comprised of the Sheriff's Office (including the Missoula County Detention Facility and the Public Safety Building Capital Project), the Department of Emergency Service (including the 9-1-1 Emergency Dispatch Center, the Office of Emergency Services, and the Forest Reserve Title III fund). Fiscal year 2013 budgeted expenditures total \$25,877,551 (\$22,519,270 in fiscal year 2012).

The Sheriff's Office responds to calls from the public for emergency law enforcement assistance, investigates crimes, and provides regular patrol services throughout the County. The office is comprised of the Sheriff, 50 sworn deputies, and various support staff. The total FY2013 Sheriff budget totals \$10,598,418 (\$10,281,281 in FY2012).

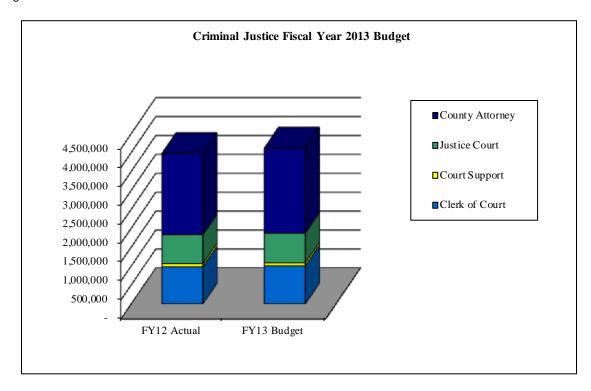

The Missoula County Detention Facility, a division of the Sheriff's Office, manages County adult and youth detention, and an entire wing that houses prisoners for the State of Montana Department of Corrections. This facility can house up to 394 adults and 24 juveniles with a staff of approximately 107.6 FTE's, requiring a total budget of \$9.8 million (versus \$9.5 million in 2012). \$4.7 million in non-tax revenue is budgeted to cover the costs of Department of Corrections and other jurisdictions' prisoners.

The Department of Emergency Services includes the 9-1-1 division and the Office of Emergency Management. The Office of Emergency Management involves the planning, development, and maintenance of Missoula County's emergency and administrative communications system. This includes the 9-1-1 Center, remote microwave sites, paging system, and frequency coordination. The 9-1-1 Center provides dispatch services to 23 "first responders" located in and around Missoula County, including law enforcement, emergency medical, and fire. The FY2013 budget includes \$1.0 million in Federal Grants secured by direct appropriations for technical equipment costs involved in building the new 911 center.

Criminal Justice

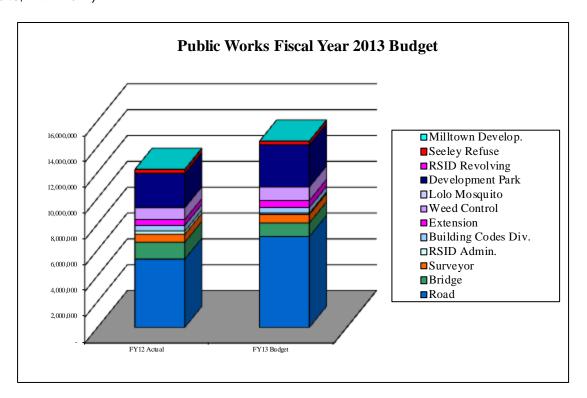

The criminal justice function includes all offices related to the court system. These include the Clerk of Court, Justice Court, the County Attorney's Office, Court Support, and certain grants related to State District Court.

Significant enhancements for 2013 include: 3 additional FTE deputy positions and one additional FTE detective position in the Sheriff's Department (\$567,300), the purchase of additional patrol cars for Sheriff's Department (up to \$210,000) and the transfer of \$150,000 of District Court reserves to assist with renovation of the County Courthouse.

Public Works

Public Works includes all of the functions related to public infrastructure and lands within Missoula County. Fiscal year 2013 budgeted expenditures total \$14,457,126 (versus \$14,548,914 in 2012).

The Public Works Director oversees the Road and Bridge funds, the Surveyor/GIS department, the RSID Administration and the Building Codes Division. The Road fund is responsible for County road maintenance, traffic control, and road projects within the County. The Bridge fund is responsible for maintenance of bridges in the rural county as well as within the Missoula city limits. The Surveyor/GIS department is responsible for the review of all surveys filed within the County and maintains the County's GIS mapping system. The RSID Administration and Revolving funds account for the costs related to the administration of the County's rural special improvement districts. The Building Code Division houses the County's building permit and

inspection program that started in 2006.

The Missoula County Extension Agent is responsible for the Weed and Extension funds, and the Lolo Mosquito District. The Weed fund's purpose is to prevent, reduce, or eliminate the economic impact of noxious weeds on all lands within the County. The Extension Office provides education services to residents in the subjects of agriculture, horticulture, human resources, community development, and youth development. The Lolo Mosquito District conducts mosquito control efforts in the Lolo community area.

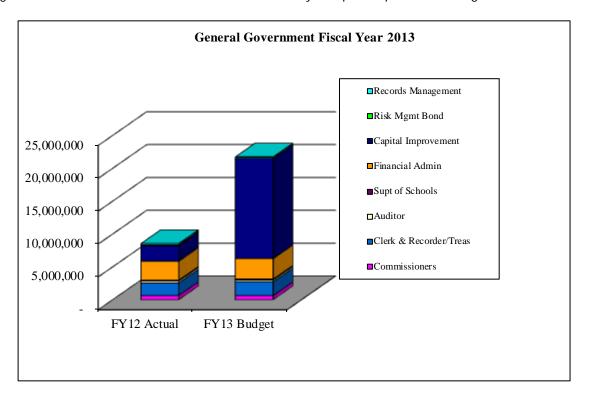

The Airport Tax Increment fund is used to account for all activities related to the County owned Development Park as well as the industrial tax increment district which was created in that area. The Development Park is governed by the Missoula Development Authority, an advisory board appointed by the Commissioners.

The Seeley Refuse fund is used to account for the activities of the Seeley Lake Refuse District who operate a transfer station in the Seeley area. The District is governed by an advisory board appointed by the Commissioners. Prior to 2011, the District was accounted for in an agency fund, and consequently, that budget was excluded from the Missoula County budget.

Significant changes in Public Works include \$1,982,000 for the widening of Upper Miller Creek Road and \$450,000 in CTEP funding for the Highway 12 pedestrian/bicycle pathway.

General Government

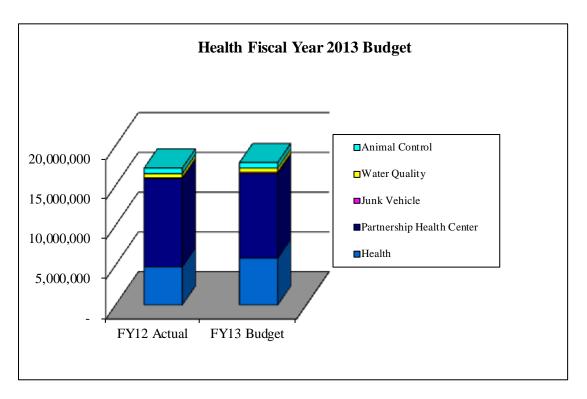

The General Government function includes those elected offices that provide direct service to the public for decision making or record keeping matters. This includes the Board of County Commissioners and staff; the Records Management department; the Clerk & Recorder/Treasurer functions of Elections, Recording and Treasury; the County Auditor, and the Superintendent of Schools who maintains a variety of school related records. Additionally, this function includes the Financial Administration department which contains expenditures related to general government and the Board of County Commissioners' agenda. General Government also includes the County's Capital Improvement Program.

The total budget for Capital Improvement projects through 2016 of \$15,239,510 were established in this budget year, the unexpended amounts will be carried over to the following fiscal year. For 2013 include \$235,047 for construction documents for the renovation of the Courthouse/Annex \$6,871,454 for the expansion and renovation of the 911 Emergency Call Center, the 1st Floor Annex, Courthouse Master Plan and Construction Management, \$638,839 to fund renovations to the new Administration Building and \$25,000 to implement ADA audit recommendations.

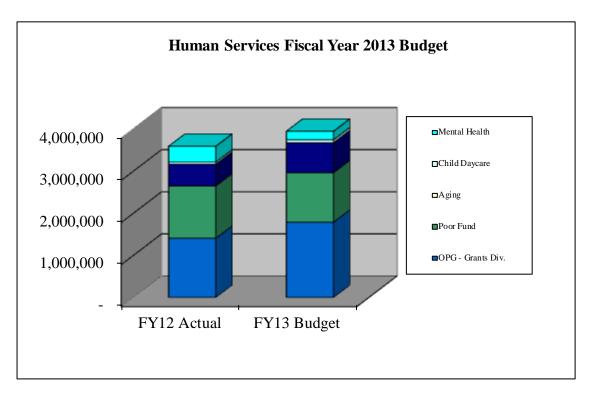

Public Health

The Public Health function is comprised of the Health Department, the Water Quality District, the Partnership Health Center, the Junk Vehicle Program, and Animal Control.

Human Services

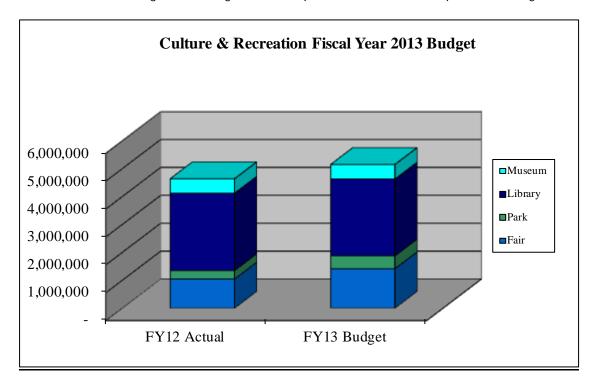

The Human Services function includes all those programs that address the social and economic needs of the citizens of Missoula County. It includes Poor, Aging, Child Daycare, and Mental Health. It also includes programs for the assistance of victims of crime, battered women, families at risk of developing serious family problems, recovering alcoholics needing housing, those who have little or no health care coverage, and those who need assistance qualifying for SSI. Many of these programs are administered by the Office of Planning and Grants, and consequently, are accounted for in the Planning fund.

Culture & Recreation

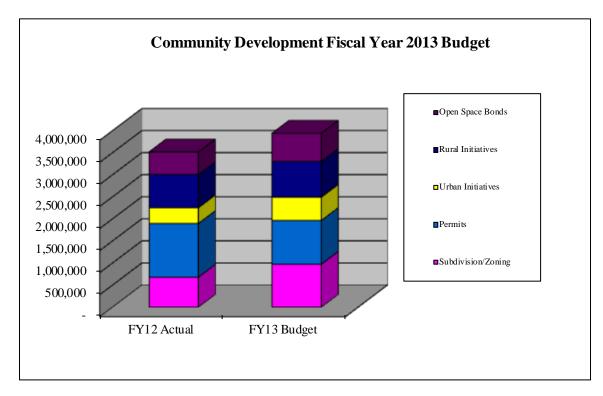

The Culture & Recreation function includes the Western Montana Fair, Museum, the Library and the Park funds.

Significant enhancements include additional funding for the Fairgrounds to improve infrastructure and provide funding for future Fairgrounds planning.

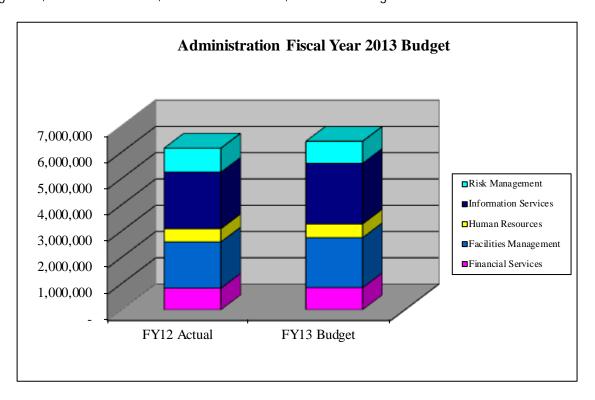

Community Development

Community Development includes the land use planning aspects of the Office of Planning and Grants, as well as some specific transportation grants and the administration of federal and state community development dollars.

Administration

Administration includes those offices that support the functional categories listed above. These costs are allocated based on total expenditures in the summary analysis above, but are listed separately here in order to reflect changes in these administrative offices. These offices include Financial Services, Facilities Management, Human Resources, Information Services, and Risk Management.

For fiscal year 2013, significant enhancements in the administrative function include an additional \$143,676 in facilities management to support all the Capital Improvement Projects underway in 2013. There is also an additional \$155,652 in Information Systems to finish the SIRE permitting and Electronic Content Management projects.

ACKNOWLEDGMENTS

The budget team should be commended for the great deal of work that went into the 2012 budget. This year's budget team was comprised of Dale Bickell, Chief Administrative Officer; Andrew Czorny, Chief Financial Officer; Jim Dolezal, Director of Information Services; Steve Johnson, Human Resource Director; Barbara Berens, County Auditor; Greg Robertson, Director of Public Works; Larry Farnes, Director of Facility Services, and Hal Luttschwager, Risk Manager. Christi Page, Assistant Finance Director, provided excellent work with the mechanics of keeping the data in balance and providing the desktop publishing.

FUND 1000 Commissioners

Missoula County is governed by a Board of County Commissioners consisting of three elected members serving six-year, staggered terms. All legislative, executive and administrative powers and duties of the local government, not specifically reserved by law or ordinance to other elected officials reside in the Commission (MCA-7-3-401).

Under such limitations and restrictions as are prescribed by law, the Board of County Commissioners has jurisdiction and power to represent the County and has care of the County property and the management of the business and concerns of the County and to perform all other acts and functions which may be necessary to the full discharge of the duties of the chief executive authority of the County government (MCA 7-5-2101).

The Commissioners' Office staff consists of an Administrative Officer, three Administrative Assistants and one Secretary. Its principal functions include providing management and administrative direction to County Offices, providing support to the Board of County Commissioners as requested, implementing Board policies and decisions, and assisting in the preparation of the County budget. This function also includes the administration and implementation of the following programs:

- 1. The Rural Special Improvement District is a program to assist neighborhoods with the construction and maintenance of infrastructure improvements such as roads, curbs, sidewalks, and sewer and water facilities.
- 2. The Capital Improvement Program involves the annual development and implementation of a five-year planning process relative to all capital acquisitions by the County which exceed \$5,000 in value.
- 3. Special Projects involves the planning of appropriate resolution of specific problems as identified and assigned by the Board of County Commissioners.

FUND 1000 County Attorney

The County Attorney is an elected official who is the legal arm of the Executive Branch of Government at the County level. As such, he is both a State Officer and a County Officer, although all office expenses except one-half of the County Attorney's personal salary is paid by the County. The Attorney General has supervisory power over the County Attorney.

The County Attorney and his Deputies are the Public Prosecutors, who represent the State of Montana in all criminal cases and civil matters occurring within the County, and is Counsel for the County, its officers and all other political subdivisions and their officers within the County, except for municipalities. Finally, State law imposes over 150 additional duties on County Attorneys, including such important activities as mental health and alcoholism commitments; abused, dependent and neglected child protection; subdivision regulations; gambling regulations; inquests; inspection and regulation of various trades and professions, and the monitoring of other public officers to name a few.

In Missoula County, the County Attorney's Office has been consolidated with the Office of the Public Administrator. The Public Administrator is an elected official who is responsible for probating estates where there are no heirs.

The County Attorney's Office is open Monday through Friday from 8:00 a.m., to 5:00 p.m. or later. For emergencies or after-hours business, Attorneys are on call through 9-1-1 twenty-four hours a day, seven days a week.

Financial Services FUND 1000

The Office of Financial Services has the responsibility of maintaining the County's financial records. This responsibility includes items such as:

- > County-wide payroll and accounts payable processing and management
- Internal financial reporting to department heads and the Commissioners
- Technical and clerical support for the budget process

 Maintenance of the County's Rural Special Improvement District (RSID) records
- > External financial reporting including the final budget document and the comprehensive annual financial report.

FUND 1000 C & R – Recording

The Recording Division of the County Clerk and Recorder's office is, by statute, the official records center for Missoula County. Our records go back as far as 1865. It is the responsibility of this office, according to law, to maintain records at a maximum level of efficiency for the benefit of public accessibility.

The indexes to recorded and filed documents are the primary directories to all the permanent records on file, and it is important that they be accurate and current. At present, all office indexes are maintained on our CRISplus Recording Software. All documents are scanned daily. The real estate documents recorded include: deeds, mortgages, easements, contracts, and covenants. Direct access to the indexes and images are possible by use of personal computer in the office. You may also access some of our recording information by visiting the Missoula County website at www.co.missoula.mt.us. The Recording Division has legal responsibility with regards to transfer documents, certificates of survey and subdivision plats to enforce statutory requirements and subdivision regulations.

The vital statistics records (birth and death certificates) for Missoula County are another important resource in Recording. Missoula County accesses the Montana State Department of Health & Environmental Sciences database and can issue a certified birth certificate for anyone born in Montana. Currently, the Recording office can issue certified copies of death certificates for those deaths that occurred in Missoula. The State hopes to have all the death certificates available soon on their database.

The importance of records is seen clearly on a daily basis as the office is used as a research center by private individuals and companies, government agencies and lending institutions and genealogists. In addition, the staff assists the public in attaining necessary information from the records and makes copies of all materials available at a cost set by law.

The Recording Office Division is responsible for maintaining all documents pertaining to actions of the Board of County Commissioners and miscellaneous matters. These records are frequently accessed by the County Attorney, Surveyor, and the general public.

FUND 1000 C & R – Elections

The staff in the Elections Office annually prepares for and conducts three major elections.

The first each year is the May School and Special District Election. The school board trustees, school levies and tech fund levies are ballot issues that you would find on the ballot. Special Districts include: fire districts, hospital districts, irrigation districts and community councils.

The second election each year is the Primary. The City Primary Election may be held in September in odd-numbered years. The County Primary Election is held in June in even-numbered years.

The third election each year is General Election. The City General Election is held in November in odd-numbered years. The County/Federal General Election is held in November in even-numbered years.

The preparations include certifying the ballot, preparing ballot layouts, overseeing the printing of the ballots, assembling and distributing supplies and training and scheduling the 375-400 election judges. They process absentee ballots for any elector requesting to vote by absentee. Currently, Missoula County uses optical scanners to tabulate all our ballots.

In addition to preparing for the election, the staff processes 4,500–12,000 new voter registration cards per year. The voter registration information is entered into our Election software PowerProfile by Election Systems and Software. The new software allows us to provide voter history, voter activity and several other searching engines to our customers requesting the information.

The election staff verifies signatures on several different types of petitions. Every other year we must send our NVRA (National Voter Registration Act) confirmation mailings to anyone who did not vote in the Federal General election. The number of mailings varies from 8,000-30,000 depending on the election year.

FUND 1000 C & R – Treasurer

The Treasurer's Office is the collection and distribution center for all taxes in Missoula County. Also, the office is responsible for the annual reregistration and titling of motorized vehicles (cars, trucks, boats, motor homes, snowmobiles, trailers, motorcycles, special mobile equipment and gross vehicle weight charges).

The office prints and mails out real estate, mobile home and personal property tax bills.

The office handles collection of miscellaneous business, liquor and gambling licenses. It also receipts all the non-tax revenue received by the County.

Disbursements of cash to cover County obligations are also the responsibility of this office. These disbursements may be to cover bills paid by County warrant, or to cover bond payments or remittances to other government agencies for which the County collects taxes.

Motor Vehicle directives for procedures come from the Title and Registration Bureau, State of Montana, Department of Justice. Assurances must be made that laws, applications and procedures are being adhered to. Records must be accurate because the information is accessed by law enforcement agencies.

The office has a commitment to make a substantial effort in collecting delinquent taxes. Each year the office proceeds with the tax deed process.

It is in the public's best interest to have any cash on hand invested. That investment responsibility rests in the Treasurer's office.

Record keeping and reporting are also important functions of the office. Taxes and license payment records are maintained as well as disbursement records. Additionally, the office is required to keep detailed records of school budgets. Reports from this office go to the State, the City of Missoula, all School Districts, fire and irrigation districts and to the County Commissioners.

The office averages over 85,000 walk-in customers per year. The majority of our tax payments are received through the mail. Currently, we staff two employees to answer the two multi-line phone calls coming into this office.

FUND 1000 Records Management

The Records Management division provides a coordinated approach to processing the multitude of County Records. This involves the development of systems, storage, retrieval, microfilm, and destruction. The program involves the research of statutory requirements, historical significance, as well as financial requirements. The program includes both County and City records.

This office polices the records retention schedules for all county offices, assisting County Departments with retrieval, storage and destruction of their records.

This involves in-depth involvement with the statewide records management program.

This office retrieves records that are stored at the Records Center for customers requesting the record.

FUND 1000 Auditor

As an independent office, the County Auditor has the responsibility to monitor and review the operations of the County to assure compliance with reasonable standards, including state and federal law and adopted county policy.

Specifically, State law states the County Auditor shall investigate and examine all claims against the County and report those findings to the Board of County Commissioners. It is also the Auditor's responsibility to keep a complete record of all such claims and investigations.

The County Auditor has the statutory duty to examine the books and accounts of various County departments and report findings of the examinations to the Board of County Commissioners.

The Auditor's Office performs financial compliance and performance audits of various county departments.

Additional responsibilities include analyzing organizational structure, work operations, work methods and procedures and work flow of county departments; recommending management and accounting changes based on the results of analyses; helping to identify cost components of departmental operations; and providing research assistance in cost benefit analysis.

Finally, the County Auditor is required to perform such other duties as directed by the County Commissioners.

FUND 1000 Facilities Management

The Facilities Management Department is involved in the maintenance of County facilities to ensure they are kept in good repair as well as meeting standards relative to public buildings. This includes the following structures; Courthouse, Annex, Missoula City-County Health Department, Partnership Health Center, Missoula County Detention Facility, the Print Shop, Youth Court, Public Defenders, the County Warehouse and Missoula City-County Animal Control building. There are five mountain-top radio sites that are also maintained by this department to provide county-wide 911 communications. The Facilities crew also assists other departments in fulfilling their missions. An example is helping Elections deliver and pick up all election equipment throughout the County. All new or renovation projects in these buildings are coordinated through this department. In addition to managing these buildings, this department backs-up the maintenance crews at the Missoula City-County Library, the Missoula County Public Works Buildings and the Missoula County Fairgrounds.

The Office of Emergency Services prepares and manages plans and programs directed at disaster preparedness and coordination of response and recovery. This service is mandated by state Law (10-3-401 MCA) and is provided to the City and County by mutual aid agreement.

Oversight of plan development is accomplished by the Disaster Planning Committee, which has the following membership:

- 1. Sheriff
- 2. County Attorney
- 3. County Surveyor
- 4. MRFD Fire Chief
- 5. City Police Chief
- 6. City Fire Chief
- 7. City Attorney
- 8. City Public Works Director
- 9. City-County Health Department

The primary function of the Communications Department is to provide support services to the various county departments and other outside governmental units and non-profit agencies. The types and levels of services are determined by the Board of County Commissioners. The primary programs of the department are as follows:

- 1. The communications Program involves the planning, development and maintenance of Missoula County's emergency and administrative communications system. This includes the 9-1-1 Center, remote microwave sites, paging system and frequency coordination.
- 2. The 9-1-1 Emergency Center involves the provision of dispatch services to 23 first responders located in and around Missoula County, including law enforcement, emergency medical, and fire.

FUND 1000 Human Resources

The Department of Human Resources provides professional human resources management services for Missoula County Departments including:

- ➤ Labor relations; collective bargaining; grievance resolution
- > Employee relations;
- Development of County policies and procedures;
- Compliance with county policies, and state and federal employment laws;
- Investigation and response to Human Rights complaints;
- ➤ Job description development, job analysis and staffing issues;
- Recruitment and selection activities:
- Employee orientation;
- Training and development;
- Performance appraisal, performance management and discipline;
- Position classification and compensation administration;
- > Employee benefits enrollment and administration;
- ➤ Leave coordination:
- Return to work for injured workers and accommodation of disabled workers;
- Payroll database updates;
- > Employee file and records security and maintenance;
- > Post-employment inquiries, (ex: U.I. employment verification, references)

The department works with managers, supervisors, other county employees, elected officials, and County appointed boards on a wide variety of employment, and labor relations-related issues. The department has responsibility for developing, revising and administering human resources policies and procedures, which are adopted by the Board of County Commissioners.

The position of the County Superintendent of Schools is elected by the public for a four-year term. The officeholder is required to be a certified teacher with at least three years of teaching experience.

The County Superintendent has general supervision of the public schools of the County. This supervision includes financial concerns, transportation and tuition as well as other centralized clerical and administrative functions prescribed by law. The Superintendent also provides general supervision of the home schools in the County.

The Superintendent has direct supervision over four Class III schools in the County, assisting the trustees with budgeting and finance; recruitment; placement and supervision of teachers; curriculum development; teacher in-service training and other school matters.

The County Superintendent is the prime fiscal agent for the Special Education Cooperative. The office provides a framework for other such cooperative ventures within the County.

This office contracts with Mineral County to provide some of the services required by law.

In general, this office functions as the central source for information on education as well as a clearinghouse and distribution center for such information for all County residents.

FUND 1000 Public Works – Surveyors

The Surveyor Division is part of the Public Works Department and is administered by the Director of Public Works and performs duties as assigned by the County Commissioners. The duties consist of review of all surveys filed in Missoula County for errors, omissions, and standards. They also include recovery and perpetuation of original land survey monuments in both the City and County and interdepartmental public service projects.

The department is responsible for administering all County rights-of-way; including the survey and documentation of existing rights-of-way, acquiring new rights-of-way, and facilitating the petition process to create, alter, or abandon rights-of-way. The department oversees the GIS department, provides the geodetic control for that department, and provides technical and general survey assistance to the public, other county departments, State and federal agencies, and private surveyors.

FUND 2110 Public Works – Road

The Road Division is part of the Public Works Department under the executive authority of the Director of Public Works with specific duties and responsibilities assigned by State Codes. The department is divided into five programs:

- 1. The Road Maintenance Program consists of all summer and winter maintenance on the 224 miles of paved roads and 298 miles of gravel roads within the County road system.
- 2. The Traffic Program consists of maintaining all painting, signs, and traffic control devices on County Roads. It also consists of studies and recommendations on the installation and removal of traffic control devices.
- 3. The Engineering and Survey Program consists of all design and construction monitoring required for the construction and repair of County roads. It also provides engineering for road maintenance activities, the acquisition of road right-of-way, and periodic inspection of paved roads.
- 4. The Capital Program consists of the acquisition of equipment necessary to support the Road Department.
- 5. The Acquisition and Projects Program consists of projects, land, and structures to improve, expand, or support the County Road System. Projects are selected by the County Commissioners during the budget process.

FUND 2130 Public Works – Bridge

The Bridge Division is part of the Public Works Department under the executive authority of the Director of Public Works with specific duties and responsibilities assigned by State Codes. The department is divided into four programs:

- 1. The Bridge and Culvert Maintenance Program consists of the maintenance of one hundred and thirty-five (135) bridges and the maintenance of nine hundred (900) road culverts. These are all public bridges, not maintained by the Highway Department or Federal Government, within Missoula County; including the City.
- 2. The Engineering and Survey Program consists of all design and construction monitoring required for the construction and repair of County Bridges. It also provides periodic condition inspections of the County bridges, and the acquisition of bridge right-of-way.
- 3. The Capital Program consists of the acquisition of equipment necessary to support the Bridge Department.
- 4. The Acquisition and Projects Program consists of projects, land, and structures to improve, expand, or support the County Bridge system.

The RSID Administration fund was established to account for administration of all County special improvement districts. Fund expenditures include payroll related to RSID administration and costs associated with research regarding new districts. Revenues include transfers from maintenance districts and the RSID revolving fund. Although maintenance district administrative costs are required to be deposited in the General Fund, the County Commissioners established the RSID Administration fund in order to separately track revenues and expenditures associated with RSID administration.

The Building Codes Division of the Missoula County Public Works Department enforces minimum requirements to safeguard public health, safety and general welfare through: Structural strength, means of egress facilities, sanitation, adequate light and ventilation, and energy conservation. Through these measures, the Building Codes Division ensures safety to fire fighters and emergency responders during emergency operations.

To achieve this purpose, the Building Codes Division enforces nationally recognized model codes which are adopted and modified by the State of Montana.

FUND 2210 Parks and Recreation

The Missoula County Parks and Trails Program is one program within the County's Rural Initiatives Office. Staff works with the Missoula County Park Board to plan, develop and manage the County's park system, consisting of 91 parks on over 645 acres. Staff works collaboratively with County Public Works on trail planning throughout the County.

Partnerships with local communities, neighborhood groups, service and non-profit organizations are a key component to the Parks and Trails Program. The County Park Board assists these groups with funding through its Capital and Maintenance Matching Grants, and its Weed Grant Partnership Program with the County Weed District.

Types of parks found throughout the County include neighborhood, community, regional, and conservation parks. Facilities, offered within some of these parks include, but are not limited to: walking trails, ball fields, basketball courts, tennis courts, picnic shelters, playgrounds, and wildlife viewing areas.

FUND 2160 Fair

The Historic Missoula County Fairgrounds Complex offers a safe, inviting destination for the public. Situated as an integral part of Missoula and Missoula County, the "Fairgrounds" preserves the legacy of our heritage; is an important community open space; and is a convenient venue for affordable entertainment, education, and recreation. Through a series of ongoing events and activities, the Fairgrounds provide a revenue opportunity for the County, for businesses, and for non-profits, resulting in an economic infusion to the community. The Historic Missoula County Fairgrounds Complex represents immeasurable benefits for our community – history, excitement, laughter, joy, dreams, and magical memories.

We believe, that as our community and surrounding area grows and develops, the Historic Missoula County Fairgrounds Complex represents an irreplaceable and "precious community asset" that needs to be protected. We believe that the Fairgrounds enhance, and can continue to enhance, the changing built environment surrounding it.

We believe that a County Fair provides the community with an important annual gathering; preserves our cultural heritage; gives youth and adults opportunities for education and responsible participation; and offers an avenue for organizations, businesses, and the community as a whole to educate, advertise and profit.

FUND 2180 Clerk of District Court

The Clerk of District Court is the official keeper of all District Court records for Missoula County. These records include Adoption, Civil, Criminal, Dependent Neglect, Domestic Relations, Guardianship, Juvenile, Paternity, Probate and Sanity cases. The Clerk also issues, files and records all Missoula County marriage license applications and licenses. On an annual basis, the Clerk's office files in excess of 4,000 new cases and issues 800 new marriage licenses.

Clerk of District Court records date back into the 1860's and until 1989 were maintained in books. The books included an index of names to provide ease in accessing records and each case was assigned a register page into which all court documents were recorded. While these index and register books are still utilized, many have been microfilmed to provide easier access and to alleviate storage space issues. From 1989 to present, all records are stored and maintained electronically.

The majority of all Clerk of Court records are open to the public. Records are searched daily by title companies, credit agencies, investigative agencies and the general public. It is the Clerk of Court's responsibility to ensure accurate and up-to-date records. Searches, copies and certified copies are provided upon request. Fees for searches and copies are charged according to statute.

The Clerk of District Court also serves as Jury Commissioner for Missoula County. As required by statute, each May the Secretary of State provides a current list of all Missoula County registered voters to the Clerk of District Court. This list is stored and maintained electronically and it is from this list that jurors are pulled for the Municipal Court, Justice Court and District Court Judges. It is the Clerk's duty to maintain an accurate listing of all selected jurors and to pull individual jury panels for the District Court Judges upon request.

The Clerk of Court is the collection site for Court ordered child support payments, bonds, and criminal fines and fees. Monies that are collected for child support and criminal fines and fees on one business day are distributed to the appropriate parties the following business day. Monies collected for bonds are released only by Court Order. The Clerk's office collects and distributes in excess of \$3 million annually.

FUND 2220 Library

The Missoula Public Library is a free public library established under Montana Law (MCA 22-1-303). Its purpose is to provide needed information to the people of Missoula County from a library materials collection that includes all aspects of the human record. Additionally, the Library will provide programs and services to meet the reading, viewing, and listening needs of the service area population. The Library is under the direction of a five-member Board of Trustees, an appointed policy-making body. The Library implements these programs:

- 1. Administration is responsible for overseeing the entire operation of the Library, including maintaining the building; formulating and monitoring the budget programs and services; acting as a liaison between the Library and government entities on all levels; and, presenting the Library to the public. ADA compliance is the emphasis for the next two years.
- 2. The Children's Department provides and makes accessible materials to meet the recreational and informational reading needs of children from birth through age 18. Additional "Tot Time" and Story Hours are necessary because of the increased number of attendees.
- 3. The Circulation Department circulates library materials to patrons who wish to use them outside the building; re-shelves materials which have been used so others may have access to them; and reminds patrons of overdue materials. It also extends library service to outlying areas in Missoula County through the use of branch libraries and the "Partner Program". Future expansion of the Partner Libraries will allow patrons additional material access.
- 4. The Reference Department assists patrons who are seeking information to use the library's collections and other information sources. As the free Internet Access computers double in number and move to a lab, seating for pleasure reading will be expanded.
- 5 The Technical Services Department orders library books and materials selected by the staff; maintains records of all books and materials, and physically processes them for public use.

The new budget year brings forth opportunity for additional materials in all formats. Patron requests for purchase are growing and require increased funding, which will be made possible with the new budget. ADA compliance is a priority in the next two years; this will include the parking lot access, and building modifications. The elevator will be the last ADA modification that will take place.

FUND 2250 Office of Planning & Grants

The Missoula Office of Planning and Grants provides planning, program development and implementation services to the citizens and elected officials of the City and County of Missoula. The Office engages in natural resource, land-use, transportation and public services planning, community development activities, and grant programs that effectively improve the health, safety, and welfare of Missoula County residents. In all work efforts, it is the responsibility of the Office to:

- > Promote development that contributes to community goals and is in harmony with our natural environment.
- > Support local elected officials and agency coworkers in their efforts to improve the public health, safety, and welfare of Missoula's citizens.
- Promote a high quality of life for all citizens of Missoula City and County.
- ➤ Encourage public participation in planning for the future.
- > Strive for excellence in public service.

Staff in the Office of Planning and Grants prize Missoula's beauty and vitality and work actively to fulfill community goals as articulated by City and County governments in the Missoula County Growth Policy. This document states, in part, "Throughout the process of growth and change, we must preserve the valued characteristics of our communities. To be a truly health community, we must achieve two equally important goals: 1) protect our critical lands and natural resources, such as wildlife habitat; riparian resources; hillsides; air and water quality; and open spaces; and 2) enhance human resources, such as health and safety; social, educational, recreational and cultural services; employment; and housing."

FUND 2254 Rural Initiatives

Fast growth Montana counties like Missoula have been struggling with a changing landscape spurred by conditions such as the high cost of continued agricultural operations, a shifting focus within the timber industry, and pressures to transform resource rich lands to residential development. These factors and others like them threaten our conservation resources and natural amenities, our cultural heritage and economic base, and our abundance of recreational opportunities throughout the county. The potential loss of critical amenities in our rural areas threatens the quality of life enjoyed by rural and urban residents alike, as well as one of the fundamental links within arguably one of the most critical ecosystems in the United States, the Crown of the Continent. Compounding this problem is the fact that rural communities and residents do not feel adequately connected with Missoula County government, which is charged with addressing these issues. Without this connection, efforts to address the abovementioned issues are likely to fail.

As a result, the Missoula County Board of County Commissioners created Rural Initiatives. The mission of Rural Initiatives is to maintain rural landscapes and lifestyles by protecting and enhancing the natural, cultural, economic, historic, and recreational resources of Missoula County, including lands associated with farming, ranching, and timber production.

To achieve this Missoula, Rural Initiatives provides planning, program development and implementation services to the citizens and elected officials of Missoula County. Rural initiatives strives to serve rural communities both by responding to immediate issues and by developing long-term relationships that lead to the trust and credibility necessary for local government to be a successful partner in rural projects and programs. More particularly, Rural Initiatives works in partnership with local communities, governmental boards and agencies, the development community, and non-governmental organizations to:

- Provide planning and growth management assistance to rural areas
- Enhance communication between rural communities and the County and encourage public participation in local government
- Develop and implement land and resource conservation and enhancement programs that meet the unique needs of rural areas
- Provide technical assistance to elected officials, community groups, and citizens regarding planning and resource conservation policy and projects
- Serve proactively as a partner with other organizations to develop strategies to protect rural resources as well as providing opportunities for growth in rural areas

FUND 2255 Urban Initiatives

Urban Initiatives is responsible for managing the growth policy requirements for the City and for managing the legislative initiatives of the City Council and Administration as they relate to that policy. It is also responsible for comprehensive neighborhood and area-based planning activities in the Missoula urban area. Responsibilities include activities related to growth management initiatives, land use and community development planning, evaluation of development proposals for compliance with existing comprehensive plans and policies, comprehensive plan amendments and plan implementation initiatives. Resource management responsibilities include providing demographic, socioeconomic, and environmental resource data, and technical assistance on comprehensive planning elements such as housing, capital improvements, open space, neighborhood planning, and natural and cultural resource conservation.

FUND 2145 Child Daycare

The Board of County Commissioners established the Child Daycare Fund to provide comprehensive training and support services to early childhood professionals in Missoula County for the purpose of sustaining and improving the quality of child care available to Missoula families. Services are provided under contract with Child Care Resources, Inc. (CCR) through the Community Based Organization (CBO) Program, administered by the Grants Division of the Office of Planning and Grants. Missoula County funds are used specifically to increase provider knowledge and to improve performance in key areas. CCR offers workshops, seminars, onsite training and evaluation, correspondence and online courses, telephone technical assistance and a resource library for area providers. Training services cover a range of topics including early childhood development, guidance and discipline, health, nutrition, sanitation, inclusion of children with special needs and business management. CCR also assists area child care facilities achieve national accreditation. CCR's Health Program is unique in Montana and is considered a model of positive collaboration between the Missoula City/County Health Department and referral agencies. A Missoula County Public Nurse offers training, health education and outresch to area child care providers, as well as workshops, technical assistance, health consultant requirements for NAEYC accreditation, and health library resources.

FUND 2271 Mental Health

The Board of County Commissioners established the Mental Health Fund to meet the essential mental health needs of the community. Services are provided under contract with the Western Montana Mental Health Center through the Community Based Organization (CBO) Program, administered by the Grants Division of the Office of Planning and Grants. With funding through the Mental Health Fund, the Mental Health Center provides an emergency mental health system capable of providing crisis intervention and stabilization services to children and adults in crisis. The Crisis Response Team provides outreach to adults and children whenever needed, emergency evaluations for the County Attorney, assistance to law enforcement and the Detention Center, consultation to families and service providers, timely testimony for the Court, and consistency of response to Missoula's citizens in crisis. The Stephens House provides intensive mental health treatment, as well as shelter, food, and linkage to housing, medical care, and entitlements. Stephens House respite care is available for up to seven adults who, in the absence of the program, would otherwise need hospital services.

FUND 2280 Aging Services

Missoula Aging Services promotes the independence, dignity and health of older adults and those that care for them through advocacy, education, services and volunteer opportunities. We honor the process of aging by:

- Serving elders with the greatest need
- Providing easy access to services
- Developing and promoting opportunities to serve and remain active in community life
- Ensuring efficient use of public and private resources
- Providing leadership which responds to changing needs
- Providing consumer education and advocating for quality education

Missoula Aging Services nurtures and celebrates the aging process while striving to make Missoula and the surrounding area a wonderful place to grow old

FUND 2120 Poor

The County Poor Fund is levied by the Board of County Commissioners to provide human services not otherwise available through state or federal funding, and to establish a safety net or continuum of services to meet basic human needs. Services are provided under contract with various community service providers through the Community Based Organization (CBO) Program, administered by the Grants Division of the Office of Planning and Grants. Projects awarded funding through the Poor Fund meet needs identified by relevant community-based needs assessments and serve at-risk populations at the most basic levels of food, shelter, medical care, and transportation. These projects pass the "SUGR" test for <u>S</u>everity (the problem that the project addresses is severs); <u>U</u>rgency (the need to address the problem is urgent); <u>G</u>rowth (if the problem is not addressed now, it will worsen significantly); and <u>R</u>esources (the resources requested for the project are adequate to meet the need).

FUND 2270 Health

The City-County Health Department is operated under an Interlocal agreement between the City of Missoula and Missoula County. The seven member Board of Health, which governs the Department, is appointed equally by the City council and the County Commissioners. Four divisions and the water quality district operate to protect, maintain, and improve the public health of citizens in the community.

In recent years, the governance structure of the department has been modified to better oversee the new and various responsibilities of the department. The Health Board oversees the policies of the Health Services, Health Education, and the Environmental Health Divisions and doubles as the Air Pollution Control Board. The Partnership Health Center Governing Board is a separate body of individuals that oversees the fourth division, the Partnership Health Center and holds an agreement with the Health Board and Missoula County for in-kind administrative support. The Water Quality District Board, which is also established through an Interlocal City-County agreement, is comprised of the existing Health Board plus one member of the Conservation District.

The Health Services Division programs are designed to prevent disease and promote the health and well-being of individuals and families in Missoula. Activities include maternal child health programs, administration of a three county WIC nutrition program, and communicable disease prevention and control.

The chronic and preventable nature of today's problems point to an increasing need for health education and prevention programs. The Health Education Division initiates or coordinates with other agencies to implement health education and prevention projects in the community. This division provides a vital link between the department and the Missoula community in terms of public health issues and education projects.

The Environmental Health Division conducts programs to improve and maintain the quality of air, water, licensed establishments, and land use in the City and County of Missoula. The division has several regulatory enforcement programs mandated by State law, local ordinances, or County resolutions. In addition, the Division responds to public inquiries or complaints about a wide range of environmental problems. The long-range goals of all division programs are protection of public health from unreasonable risks of injury or disease caused by pollutants in the environment.

FUND 2272 Water Quality District

The Water Quality District is administered through the Environmental Health Division and aims at protecting our sole source of drinking water, the Missoula Valley aquifer. Its objectives include efforts in research, education, enforcement, and capital improvements.

FUND 2273 Animal Control

In 1985, an interlocal agreement negotiated between the City and County incorporated a single Animal Control Program within the Health Department.

Missoula City-County Animal Control is responsible for enforcing City-County animal ordinances and public education addressing "responsible pet ownership." Animal Control Officers are required to respond to complaint calls throughout the 2600 square miles of Missoula County. Other functions of Animal Control are to investigate animal bites, cruelty complaints, dogs at large, nuisance animals, and licensing of dogs.

Animal Control also runs its own shelter, housing up to 30 dogs and 41 cats at a time. Shelter staff is responsible for providing a clean and humane environment for the animals in their custody, returning animals to their rightful owners and adopting out animals that are unclaimed.

FUND 2830 Junk Vehicle

In 1973 the Montana legislature established the "Junk Vehicle" law and authorized the State Motor Vehicle and Recycling Program which in turn provides State funding for county junk vehicle programs throughout the State. This program also provides for the enforcement of junk vehicle law and for the transport, storage, crushing recycling of the junk vehicles released to the County. The law makes it illegal to have a junk vehicle in view from a public road. A junk vehicle is a motorized vehicle that is: unlicensed and inoperable and ruined or dismantled and in public view. This program is paid for from the small fee you are assessed when you license your vehicle and from the sale of crushed vehicles to metals recyclers.

FUND 2274 Partnership Health Center

The Partnership Health Center's mission is to provide high quality and affordable health care to the uninsured and underinsured residents of Missoula County and surrounding rural areas. Partnership Health Center provides health care to everyone, regardless of ability to pay, race, or gender.

PHC remains the region's main provider of primary care on a sliding fee scale. Two physicians, a nurse practitioner, and a physician's assistant staff provide care to 5,700 patients in our medical clinic. Our dental clinic, with three dentists, treats over 3,600 patients. Their work is supported by volunteer providers on site, and a large network of specialists in the community who offer donated or discounted services to PHC patients.

Our pharmacy offers medications on a sliding fee scale to our patients. The pharmacy filled nearly 32,000 prescriptions in the past fiscal year. The pharmacy provides discounted medications to PHC patients through the 340(b) pricing program, Indigent Drug Program, and other patient assistance programs, including Share the Care.

In addition to providing direct healthcare, Partnership Health Center also administers several ancillary programs for special populations. These programs include the Breast & Cervical Health program, Healthcare for the Homeless, and the Ryan White program for people living with HIV in western Montana. As a participant in the National Healthcare Disparities Collaborative, our care teams are well organized to provide seamless patient care in the management of diabetes and other chronic diseases.

Of the more than 8,300 patients who receive healthcare at PHC, 65% lack insurance altogether, 20% have Medicaid, 5% have Medicare, and 10% have private insurance. The most common diagnoses we treat are dental related, hypertension, depression, and diabetes.

Community health centers are local, non-profit, community-owned health care centers serving low income and medically underserved communities. As Missoula's community health center, Partnership Health Center constitutes an integral part of the nation's health delivery system. Community health centers are the only health care system controlled in partnership with patients. Partnership Health Center is governed by a community board with a patient majority – a patient democracy. The beauty of this system is that patients do not just pay for their health care, they also "have a say" in how their health care is delivered through their patient representatives on the center's governing board.

Following the community health center model, 40% of our funding comes from a series of federal grants and contracts. 48% also comes from patient fees. Patients are charged on a sliding fee scale based on Federal Poverty Guidelines. The remaining 12% comes from local donors, contracts, foundations, and support from Missoula County.

FUND 2300 Public Safety – Sheriff

The Sheriff of Missoula County is the chief law enforcement officer and is responsible for the enforcement of state and county laws and statutes. The Missoula County Sheriff also serves as coroner, and as such is charged with the investigation of all unattended deaths and/or deaths that may be occasioned by unlawful means. It is the Sheriff's responsibility to administer the Missoula County Jail and to house all prisoners committed by competent authority. Montana Statutes require that the Sheriff perform all of the duties necessary in the administration of civil process within Missoula County.

The Missoula County Sheriff's Department's Uniform Patrol Division is responsible for patrolling an area in excess of 2,600 square miles. Our patrol officers travel more than 750,000 miles on an annual basis in Missoula County, taking action to enforce all Montana State Statutes regarding criminal violation. They write over 3,000 investigative reports that either result in the immediate arrest of the perpetrators involved in committing those acts, or these reports are turned over to the Detective Division for further follow-up and prosecution.

In addition to crime prevention and patrols of the neighborhood, the Sheriff's Department conducts initial and follow-up investigations on criminal violations, files cases with the Missoula County Attorney on suspects involved in these crimes, and provides crime prevention services to homeowners associations. They visit many elementary and high schools throughout Missoula County and provide, through the speakers bureau, speakers for many criminology courses in the high schools on topics such as narcotics, organized crime, death investigation, alcohol abuse and drunk driving. The Sheriff's Department assists other agencies in child identification programs (i.e. fingerprinting and photographing children for identification purposes as a preventative measure in abduction cases).

The Sheriff's Department provides a full service through the Detective Division in such areas as narcotics investigations, crimes against persons, and crimes against property.

The new Missoula County Detention Facility (MCDF) opened November 1, 1999, replacing the over-crowded and out-dated facility on the fourth floor of the courthouse annex. The facility has three main components – a long-term juvenile detention center, a county jail for men and women, and a state regional prison. The total capacity is approximately 400. The facility resembles a self-contained community, with a clinic, library, school, counselors, dentist, phone system, commissary (store), banking, housing, churches, courts, and a staff that provides maintenance and security functions. We have visiting areas for families, friends, and attorneys.

County Jail

The Missoula County Jail portion of the Detention Facility holds inmates that have been found guilty and sentenced to county jail time (less than one year). The facility also holds persons who have been accused of a crime and are awaiting trial but cannot get out on bail. We hold for various law enforcement agencies in the area, including the Missoula Police Department, Montana Highway Patrol, University of Montana Police, and the US Marshals Office.

Juvenile Detention

The 24-bed juvenile detention facility holds boys and girls under the age of 18. They have been determined to be a risk to themselves or others so cannot be allowed to live at home or, for example, in a group home. MCDF contracts with the Missoula school district for a teacher in order for them to continue with their school work while in custody.

MASC

MASC is the Missoula Assessment and Sanction Center. The program is currently housed in the Missoula Regional Prison portion of MCDF. When a man is found guilty and sentenced by a District Court Judge anywhere in Montana, he can be sentenced to Montana State Prison or to the Department of Corrections. If sentenced to DOC, the prisoner comes to MASC to be "assessed" to determine an appropriate placement. He may still go to MSP, or he may be sent to Boot Camp, Pre-Release, Parole, or some other community corrections program. If a man on parole violates the parole, he may be sent to MASC for a short "sanction" then go back out on parole. The Montana Women's Prison in Billings has similar programs for the women of the state.

FUND 2382 & 2383 Search & Rescue

Search and Rescue performs land searches, water searches, backcountry rescues, water rescues, assists in disasters and evidence searches, performs public outreach in backcountry safety, and trains Search and Rescue volunteers to perform these tasks. The Search and Rescue unit performs these tasks within Missoula County and, through mutual aid request, in other counties as approved by the Sheriff. Search and Rescue units are authorized to be established by the county under the supervision of the Sheriff or designee (MCA 7-32-235).

FUND 2902 Forest Reserve – Title III

The primary function of Title III is to provide assistance to fire departments and home owners to create defensible spaces around residences in the Wildland Urban Interface (WUI). The types and levels of service that are provided are determined by the Board of County Commissioners who elect each year the percentage of funding that will be made available from the Secure Rural Schools program for these activities. The primary programs are as follows:

- 1. Title III funds support fire departments through the purchase of equipment to removed debris from around structures, making them more defensible.
- 2. Title III supports home owners by providing a cost share program of up to fifty (50) percent of the cost of removing materials around their structures, making them less susceptible to wildland fires.

FUND 2360 Historical Museum

The Historical Museum at Fort Missoula's mission is the keep Missoula County's history alive for the education and enjoyment of the public.

The Historical Museum at Fort Missoula was established in 1975 to collect, preserve and interpret the history of Missoula County and Fort Missoula, as well as timber production and forest management in Western Montana for the education, recreation and cultural enrichment of visitors and residents of the area. The Museum is located on 32 acres at the core of what was historic Fort Missoula (1877-1947), an area that was listed on the National Register of Historic Places. The Museum has in its collection over 24,000 artifacts, including thirteen historic structures. Many museum activities are centered in the museum building, a Quartermaster's Warehouse (built 1911) that has undergone extensive interior remodeling.

The Museum consists of two parts: indoor galleries, with both long-term and changing exhibits that deal with topics of specific and general interest from the period of early exploration to modern times; and outdoor interpretive areas, with a complex of original and relocated historic structures that together present a picture of the life and material culture of the region and aid in the interpretation of the Museum's major themes: Missoula County history; the military history of Fort Missoula; and the history of timber production and forest management in western Montana. These are introduced in the main museum building and expanded in the outdoor areas. Many programs are supported by the efforts of the Friends of the Historical Museum at Fort Missoula and through many grants, including one from the Institute of Museum and Library Services.

In addition to providing exhibitions, guided tours, special events, workshops and living history demonstrations, increasing emphasis is being placed on the following: making more of the Museum's permanent collection accessible to the public; maintaining the Museum building and grounds more efficiently to make better use of existing staff, as well as increase visitation and usage of the site; providing for staff training to maintain and improve museum services; and continuing to offer outreach programs to schools, clubs, civic groups and other outlying communities in Missoula County.

The Historical Museum was accredited by the American Association of Museums in 2000, one of only six museums in Montana to be accredited.

This Page Intentionally Left Blank

The Missoula County Extension Office is an educational resource dedicated to improving the quality of life by providing research-based knowledge to strengthen the social, economic and environmental well being of families, communities and business enterprises. The following education programs are our priorities for the coming year:

Urban Integrated Pest Management

- Develop web page and data base
- Update literature on waterwise plants for Missoula
- Update Pest Management Calendar
- Maintain Pest Alert Telephone Line during growing season
- Oversee Neighborhood Pest Management grant projects
- Conduct Landscape Stewardship class with emphasis on plant health
- Monitor plant pest outbreaks with the help of volunteers
- Research alternative pest management techniques

Master Gardener

- Research and write on agro-ecology Master Gardener manual with USDA-SARE grant
- Train volunteers on plant health and current pest management technology
- Oversee Master Gardeners who respond to public horticulture/IPM inquiries
- Organize advance training for Master Gardeners
- Research composting and organic pest management

Agriculture and Natural Resources

- Assist the Blackfoot Challenge in implementing and Integrated Noxious Weed Management program for the Blackfoot River drainage
- Assist with the development and implementation of biological weed control and re-vegetation programs
- Provide educational seminars on Integrated Weed Management
- Work with landowners to implement effective strategies for grazing leafy spurge and spotted knapweed
- Develop stewardship programs for small-acreage and new landowners

Youth Development

- In concert with the 4-H Council, plan and implement the 4-H program activities and training to enhance over 400 club members and 160 adult leaders
- Provide training, materials, and support for the Missoula Flagship After School Program and the school Enrichment programs.

- Expand collaborative efforts with other youth delivery programs in Missoula such as Missoula Boys and Girls Club and Leadership Missoula High School
- Continue to provide specialized training for Missoula County teachers in Extension

Family and Consumer Science

- Continue team effort with Health Department offering Food Safety training for food service workers
- Offer food preservation information and workshops for general public
- Provide free testing of pressure cooker gauges
- Continue efforts in teaching safe food handling to the general public
- Promote

EFNEP (Expanded Food and Nutrition Education Program)

- Conduct nutrition programs with limited-income families
- Teach nutrition to youth at targeted schools and other low-income youth programs
- Oversee nutrition assistants who teach at WIC, Young Families, Joseph's Residence
- Conduct "5-A-Day" programs at schools in collaboration with Missoula Food Service
- Do community outreach with WIC, Headstart, Missoula Food Bank, Family Resources
- Super Pantry program with grant

FSNEP (Food Stamp Nutrition Education Program)

- Help conduct state FSNEP training
- Help conduct two regional FSNEP trainings
- Visit western FSNEP sites and evaluate nutrition assistants
- Work with Phyliss Dennee and Terry Egan to coordinate this program

The staff, through the involvement of local people, organizes and conducts seminars, workshops and tours on numerous subjects in agriculture, horticulture, human resources, community development and youth development.

The local staff uses resource specialists located on the campuses of Montana State University and The University of Montana in carrying out its mission.

Pest Management

The Missoula County Weed District is a legally mandated department (MCA 7-22-2101) and is administered by the County Weed Control Board. The purpose of the district is to prevent, reduce or eliminate the economic impact of noxious weeds on all lands within the county.

The Mosquito Control is authorized by state statute (MCA 7-22-2401 through 7-22-2448). Mosquito control is conducted in organized districts. The only organized district in Missoula County is in the community of Lolo.

The Seeley Lake Refuse District was created by resolution 74-207 of the Missoula Board of County Commissioners in October 1974 and amended by resolutions 83-04 in January 1983 and 2011-67 in May 2011. The origin of the Seeley Lake Refuse District was intended to address the improper storage, collection and disposal of refuse to limit the spread of disease and mitigate air and water pollution.

Prior to July 2005, the Seeley Lake Refuse District functioned as an independent unit of Missoula County. At that time the district was uniformly folded into the local government of Missoula County, with the Auditor's Office overseeing the financial reports and the employees of the District becoming employees of Missoula County. In October 2009, the District formally became a division of the Missoula County Public Works Department . Finally, in May of 2011, due to changes in Montana law, the Missoula Board of County Commissioners assumed governance of the district and continues to appoint five citizens to its advisory board. The District parallels the geographic boundaries of Elementary School District 34. The transfer site is located on Woodworth Road, near the grounds of the previous landfill.

Annual projected revenue for the District is \$288,000 in Fiscal Year 2011 and employs three part-time employees. The current tax assessment fee is \$150.00 per family residential unit or business property. The transfer site is open on Wednesdays, Saturdays, and Sunday, with expanded hours during the summer months. Each taxpayer member of the District is issued an identification tag which must be shown each time the site is accessed. All trash dumped at the transfer site is transported to Missoula landfill by Allied Waste Management.

FUND 2372 & 2373 Permissive Medical Levy

The Permissive Medical Levy – Senate Bill 478 – amends the law that allows local governments to increase mill levies for the increase in the cost of health insurance provided to employees. SB 478 stipulates that this levy must be separately identified on the tax bill.

FUND Various Debt Service

Debt Service supports bonded indebtedness and any judgment against the county. The amount levied is established either through the appropriate bond schedule, statutory requirements as is the case with the RSID revolving fund or through a court order as is the case with the judgment levy.

FUND 4510 Capital Improvement

The Capital Improvement Fund was established through the capital improvement program process. Funds are appropriated each year to fund the various projects approved by the Board of County Commissioners during the current fiscal year as well as funding reserves for future capital projects including new acquisitions and replacement of existing assets.

FUND 4512 Technology

The Technology Fund was established in conjunction with the capital improvement program. This fund accounts for countywide computer systems including Treasurer, Accounting, and Clerk & Recorder. It also accounts for the software and hardware related to the local area network, Internet, and servers. Funds are appropriated annually for licenses and maintenance on existing systems, replacement and upgrade of hardware and software, and various projects approved by the Board of County Commissioners.

FUND 6020 Central Services

The primary function of the Central Services Department is to provide support services to various County Departments and other outside governmental units and non-profit agencies on a contractual basis. The Board of County Commissioners determines the types and levels of service. The primary programs include:

- 1. The Fixed Asset Program involves the tracking of all County property from initial purchase to final disposition. This includes all equipment with an acquisition price greater than \$5,000 and real property whether purchased, donated, or acquired through tax deed.
- 2. The purchasing function of the department involves the centralized purchase of small supplies and materials, and the coordination of the competitive bid purchase function.
- 3. The printing function involves the in-house printing of material as well as the coordination of outside printing services. This also includes management of the County's copier pool.
- 4. The postage function involves the centralized coordination of mailings with the United States Post Office, including bulk mailings and priority mail, and with private shipping companies such as UPS and Federal Express.
- 5. The County Motor Pool provides a fleet of cars, trucks, and four-wheel drives for use by County personnel.

Information Services performs the function of providing service-oriented County departments with needed automated systems. The principal value of this department is the efficient manipulation of large quantities of specific data. The primary functions of the Department are defined below:

Purpose of Data Processing

- > To Provide Support Services to Functional Departments
- > To Provide Technical Information and Recommendations
- ➤ To Coordinate the Overall Training Program on Automation
- > To Provide Assistance in Purchasing Hardware and Software
- > To Provide Recommendations on Automation Standards

Purpose of the Local Area Network

- To Enhance Communications and the Flow of Information
- > To Ensure Back-up is Provided
- > To Provide Efficient Use of Software Licenses
- ➤ To Provide Ease of Management of Large Number of PC Users
- > To Provide Efficient Use of Peripheral Hardware
- > To Enhance Productivity
- > To Provide Access to New Technology

Purpose of Mainframe\Data Base Server

- > To Provide Efficient Storage of Data
- > To Provide Efficient Access to Large Volumes of Data
- > To Provide Ease of Manipulating Data
- > To Enhance Productivity
- > To Provide a High Level of Data Security
- > To Provide Efficient Access of Data to Outside Agencies and Businesses
- > To Provide Guaranteed Back-up
- > To Provide High Reliability
- > To Provide for High Volume Transaction Processing

FUND 6051 Risk Management

The Risk Management Department is responsible for providing loss control and risk financing for county exposures to accidental loss. The Risk Manager is the Plan Administrator for the Employee Benefits Plan and the Missoula County Worker's Compensation Group Insurance Authority.

The program consists of three major components:

- 1. Property and Liability: A self-funded and self-administered program with selected commercially insured property and bond coverage.
- 2. Workers' Compensation: A self-insured and self-administered program.
- 3. Employee Benefits: The administration of medical, dental, vision, life insurance, flexible benefits, and related benefits programs.

The Employees Benefits Department is responsible for providing the benefits described in the Missoula County Employee Benefits Plan and the Missoula County Flexible Benefits Plan. The Department is also responsible for Missoula County's Long Term Disability group Insurance coverage. The Department contracts to provide benefits to several local government agencies. The Plan Administrator is the Risk Manager.

The Employee Benefits Plan consists of four programs:

- 1. Medical Benefits: A self-funded and self-administered program providing coverage to the eligible employees, retirees and dependents of Missoula County and Affiliated Agencies. The Plan covers over 860 employees and 700 dependents.
- 2. Dental Benefits: A self-funded and self-administered program providing coverage to the eligible employees and dependents of Missoula County and Affiliated Agencies. The Plan covers over 830 employees and 750 dependents.
- 3. Vision Benefits: A self-funded and self-administered program providing coverage to the eligible employees and dependents of Missoula County and Affiliated Agencies. The Plan covers about 530 employees and 450 dependents.
- 4. Life Insurance Benefits: Commercially insured term life insurance provided to the eligible employees of Missoula County and Affiliated Agencies. The Basic coverage provides a \$20,000 benefit. Supplemental life insurance is available up to \$100,000.

Long Term Disability Insurance: Commercially insured disability insurance provided to eligible employees of Missoula County and Affiliated Agencies. The coverage schedule amount is 50% of monthly pay subject to a maximum of \$2,500 per month.

FUND 6053 Workers' Compensation

The Missoula County Workers' Compensation Group Insurance Authority provides the benefits required by the Montana Workers' Compensation Act and Occupational Disease Act. Members of the Authority are Missoula County and Affiliated Agencies. The Authority is an authorized self-insurer in Montana. The Risk Manager is the Administrator of the Authority.

The program consists of two main elements:

- 1. Loss Control: A consultative safety service for the employees of Missoula County and Affiliated Agencies.
- 2. Risk Financing: The funding of benefit obligations and program administration.

FUND 6054, 6055 & 6056 Other Risk & Benefits Funds

Excess Loss Fund: A self-insured plan that provides a layer of re-insurance to the Risk Management, Health Insurance, and Workers' Compensation plans.

Wellness Fund: A voluntary program called MC Health Advantage. Activities include free health screenings, individual health risk assessments, discounts to local fitness centers, wellness newsletters, and brown bag lunches.

Flexible Benefits Plan: A self-administered plan to allow eligible employees of Missoula County and Affiliated Agencies to elect to pay their share of the cost of Benefits Plan medical, dental and vision costs, as well as dependent care on a pre-tax basis.

RSID BUDGETS

RESOLUTION NO. 2012-073

ADOPTING RURAL SPECIAL IMPROVEMENT DISTRICTS BUDGET FOR MISSOULA COUNTY FOR FISCAL YEAR 2012-2013

WHEREAS, PURSUANT TO SECTION 7-6-4024, MCA, the Board of County Commissioners of Missoula County, Montana, has held public hearings on the proposed budget of Missoula County for Fiscal Year 2012-2013, as required by law; and

WHEREAS, PURSUANT TO SECTIONS 15-10-202 through 15-10-208 MCA, the Board of County Commissioners of Missoula County has held hearings and passed resolutions as applicable under the above section; and

WHEREAS, Sections 7-12-2101 through 7-12-4001, MCA, provide for the fixing of various special assessments to raise funds sufficient to meet said expenditures authorized in the budget;

NOW, THEREFORE, BE IT RESOLVED, that the final County Rural Special Improvement Districts Budget for Fiscal Year 2012-2013 be as set out in Attachment G, and the same is hereby adopted as the final budget, subject to the conditions set forth below.

BE IT FURTHER RESOLVED that the special assessments will be fixed based on this budget.

DATED THIS 6th DAY OF SEPTEMBER, 2012

BOARD OF COUNTY COMMISSIONERS

ATTEST:

lerk and Recorder

Jean Curtiss, Commissioner

Michele Landquist, Commissi∮ner

Attachment G to Resolution 2012-073 is on file in the Clerk and Recorders Office.
