ARTICLE 1. AGREEMENT

Section 1. This AGREEMENT is made and entered into between the County of Missoula, Missoula, Montana, hereinafter referred to as the EMPLOYER, and the Federation of Missoula County Employees, MFPE, AFT, AFL-CIO, representing certain County employees, hereinafter referred to as the FEDERATION.

ARTICLE 2. PURPOSE

Section 1. In consideration of the mutual covenants herein recited, which have been established through collective bargaining procedures as provided for under Montana State statute, this AGREEMENT has as its purpose the promotion of harmonious relations between the EMPLOYER and the FEDERATION; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, fringe benefits, and other conditions of employment.

ARTICLE 3. RECOGNITION

Section 1. The EMPLOYER recognizes the FEDERATION as the exclusive representative for the classifications of employees of the bargaining unit as listed in Addendum "A." Changes to the bargaining unit membership shall be accomplished according to the procedures established under Montana State law. Bargaining unit exclusions are listed in Addendum 'B'.

ARTICLE 4. FEDERATION SECURITY

Section 1. Upon receipt of a written authorization from an employee covered by this Agreement, the Employer shall deduct from the employee's pay the amount owed to the Association by such employee for dues. The Employer will remit to the Association such sums within 30 calendar days. Changes in the Federation membership dues rate will be certified to the Employer in writing over the signature of the authorized officer or officers of the Federation and shall be done at least 30 calendar days in advance of such change.

Section 2. Within five (5) working days of a written request by the FEDERATION, the EMPLOYER shall provide the FEDERATION with a list of names, addresses, departments, job titles, pay rates and/or full-time equivalency (FTE) status of all current employees covered by this AGREEMENT. The address provided shall be the one that is on file with the Employer, and it shall be the Employee's responsibility to ensure the accuracy of that address and to notify the Employer regarding change of address. Copies of employment letters sent to newly-hired bargaining unit employees will be sent to the Federation Treasurer. Electronic copies of employment letters and termination notices shall be sent to the Local Federation President and Treasurer, provided they have an e-mail address.

ARTICLE 5. FEDERATION RIGHTS

Section 1. A written list of the FEDERATION'S accredited officers and representatives shall be furnished to the EMPLOYER after their election and the EMPLOYER shall be notified of any changes of said representatives in a timely manner.

Section 2. The internal business of the FEDERATION shall be conducted during the non-duty hours of the employees involved.

Section 3. Designated officers or federation representatives shall be granted reasonable time off during working hours without loss of pay to investigate and settle grievances, provided that the officer or representative shall request permission from his/her supervisor. Permission may be withheld by the supervisor because of operation requirements, but such permission may not be withheld for more than twenty-four (24) hours except in emergencies.

Section 4. An employee shall have the right to inspect his/her official personnel file during regular business hours. Such inspection shall be permitted only under the supervision of the human resources office. A federation representative may inspect an employee's personnel file after providing written permission from the employee to do so.

Section 5. An officer or a duly authorized representative of the FEDERATION shall, upon giving his/her supervisor written two weeks' notice, be entitled to have time off for the purpose of attending FEDERATION meetings, workshops or conventions, provided that such time off does not interfere with the operations of the department as determined by the Department Head. So as the employee on such leave does not suffer a reduction of benefits, a bargaining unit reserve pool shall be established as follows:

- A) Any employee in the bargaining unit who has annual vacation leave accrued may voluntarily donate up to two (2) hours of his/her annual vacation leave per fiscal year to the bargaining unit reserve pool. Such pool shall become effective within thirty (30) days from the date that eligible donors have signed and presented the proper designation form.
- B) Upon receipt of the necessary forms as outlined in subsection "A" above, the EMPLOYER shall have thirty (30) days to establish a bargaining unit reserve pool fund comprising the annual vacation leave hours donated by bargaining unit employees.
- C) At no time shall such time off be allowed to exceed the number of hours in the pool. Employees utilizing the pool shall be paid at their regular hourly rate of pay.

Section 6.

- A) The EMPLOYER shall allow for communication of union business using the e-mail system on the computer network and shall furnish space on the main bulletin board on each floor of the County Courthouse (provided that a bulletin board now exists) for the posting of:
 - 1. Recreational and social events of the FEDERATION;
 - 2. FEDERATION meetings;

3. Information concerning FEDERATION elections, as pertains to this bargaining unit, or the results thereof; and,
 4. Reports of official FEDERATION business.
- B) Notices and announcements shall not contain any libelous statement, materials or anything reflecting discredit upon the EMPLOYER.
- C) Any material posted in violation of this section may be removed immediately by the EMPLOYER.
- D) Video, audio, or electronic surveillance in the EMPLOYER's work sites shall only occur in compliance with Missoula County Acceptable Use of Technology policy and Digital Video Surveillance policy. The EMPLOYER will provide the FEDERATION with written notification in advance of any changes to these policies.
1. The FEDERATION and employees will be notified when the EMPLOYER installs cameras in employee work/break areas.
 2. Cameras will be clearly visible. Signs indicating video surveillance is in use will be placed in plain sight wherever video cameras are in use.
 3. Cameras will not be used to monitor employee work/break areas, or used to discipline employees during break times.
 4. Cameras will not record audio.
 5. All recorded video will be stored on cameras for a maximum of sixty (60) calendar days.
 6. Access will be limited to Systems Administrators, Technology Director, or designated alternate. Under no circumstances will direct access be provided to supervisors, assistant department heads, or department heads for the purpose of monitoring employee work areas or activities.
 7. In the event video recorded can be used to support or as the basis of an investigation into illegal activity or safety issues involving any employee covered by the Collective Bargaining Agreement, the FEDERATION shall have access to such videos.

Section 7. Whenever members of the FEDERATION participate with the EMPLOYER in conferences or meetings during working hours, the employees shall be granted paid release time.

Section 8. In addition to a signed hard copy of the Agreement, the EMPLOYER shall provide the FEDERATION with an electronic version of the signed Agreement as soon as possible after its execution and shall distribute it to each department. An electronic copy of the current AGREEMENT shall be available to employees on the County's website.

ARTICLE 6. MANAGEMENT RIGHTS

Section 1. The EMPLOYER reserves the exclusive right to:

- A) direct employees;
- B) hire, promote, transfer, assign and retain employees;
- C) relieve employees from duties because of lack of work or funds;

- D) relieve employees from duties when, in the opinion of EMPLOYER, continuation of such work would be inefficient or non-productive;
- E) determine the methods, means, job classifications, and personnel by which government operations are to be conducted, including contracting out or the discontinuation of services, positions, or programs in whole or part;
- F) take whatever actions may be necessary to carry out the mission of EMPLOYER in an emergency;
- G) establish the method and processes by which work is performed;
- H) establish reasonable work rules;
- I) establish and enforce safety and health work rules and require the use of appropriate health and safety devices; and,
- J) take any other action it deems advisable which is not specifically prohibited by this AGREEMENT.

Section 2. The rights retained by the EMPLOYER in this Article are in addition to those rights granted to the EMPLOYER by other parts of this AGREEMENT.

ARTICLE 7. EMPLOYEE RIGHTS

Section 1. No regular (non-probationary) employee shall be disciplined or dismissed except for just cause.

Section 2. Any employee required to attend an investigatory interview at which there is a reasonable expectation of discipline shall be entitled to have a FEDERATION representative present, provided the employee requests a representative. Except when an emergency or other circumstances would make it unreasonable to do so, the Employer will provide the employee at least one (1) working day prior notice of such an interview and of the employee's right to a representative.

Section 3. An employee subject to unpaid suspension, disciplinary demotion or dismissal shall receive written notice of the reasons for the action. The employee shall have the right to respond orally and/or make a written response to be filed in their personnel file.

Section 4. The EMPLOYER shall inform any employee subject to unpaid suspension, disciplinary demotion or dismissal of their right to file a grievance under Article 31 GRIEVANCE PROCEDURE of this AGREEMENT.

Section 5. An employee may obtain a copy of any document in his/her personnel file. The FEDERATION may be subject to a reasonable charge for administrative costs and copying fees.

Section 6. No adverse material may be placed in an employee's personnel file that does not bear the signature of the employee or a statement by the supervisor indicating that the employee has been shown the material and refused to sign it.

Section 7. An employee shall have the right to challenge and seek removal of any disciplinary material in the employee's personnel file as provided in Sections 1, 6 and 8 of this Article.

Section 8. Letters of warning, suspension and demotion shall be removed from the employee's personnel file eighteen (18) months from issuance unless:

- A) the documents may be used to support subsequent disciplinary action arising from more recent employee actions or behaviors; or,
- B) the documents are applicable to pending legal or quasi-judicial proceedings. Once the pending legal/quasi-judicial proceedings are completed, the documents will be removed from the employee's personnel file unless the outcome of the proceedings supports retention of the documents.

Requests for the removal of such documents must be submitted in writing to the Director of Human Resources. Removed documents will be retained in permanent records outside of the employee's file as such records should be available, in accordance with Montana law (MCA 2-6-1001), when requested through litigation or public records requests. Documents removed from the employee's file and retained outside of the employee's file, shall not be used in employment related decisions.

Section 9. An employee shall receive a copy of a current employee job description upon request.

Section 10. The EMPLOYER shall ensure that each employee has reasonable access to the current policies and rules regarding employment matters.

Section 11. The EMPLOYER shall provide a safe and healthful workplace.

Section 12. When approved by the EMPLOYER in advance, employees may attend workshops, seminars and other job-related training or meetings on paid time. The provisions of this section shall not modify any provision contained in Article 22 EDUCATION AND TRAINING LEAVE of this AGREEMENT.

ARTICLE 8. EMPLOYEE SEPARATION

A. RESIGNATION

Section 1. An employee may resign in good standing by submitting a written resignation to his/her Department Head stating the reasons and the effective date of resignation at least two (2) weeks prior to the effective date, unless extenuating circumstances require a shorter period. Failure to comply with this Section may be cause for denying future re-employment with the County.

B. LAYOFF

Section 1. The Board of County Commissioners may direct a Department Head, or a Department Head may elect, to layoff an employee whenever it is deemed necessary because of a material work shortage, a shortage of funds, abolition of the position, unavoidable fluctuations in work being performed, for other material changes in the duties of the organization, or for related

reasons which are outside the employee's control and which do not reflect discredit upon the service of the employee.

Section 2. In selecting employees for layoff or permanent reduction in work hours, the EMPLOYER will first determine which combination of positions will best enable a department to meet its objectives after a layoff or funding reduction. Should the EMPLOYER determine that a particular position is to be reduced or eliminated, the EMPLOYER will provide the affected employee(s) with at least twenty (20) working days' notice.

If two or more employees are covered by the same position description that is to be reduced as part of a layoff or budget reduction within a county department, the EMPLOYER will carry out position reductions as follows.

Temporary, Short-Term and Probationary Employees

- The EMPLOYER will lay off or reduce hours for temporary employees and short-term workers (which are non-bargaining unit employees) before laying off or reducing hours for probationary or regular bargaining unit employees.
- The EMPLOYER will lay off or reduce hours for probationary bargaining unit employees before laying off or reducing hours for regular bargaining unit employees.

Regular Employees

If two or more regular (non-probationary) employees are covered by the same position description that is to be reduced or eliminated as part of a budget reduction within a county department, the EMPLOYER will select employees for layoff based on their qualifications, including any certification/licenses for which the employee is being compensated under Article 23, Part A, Section 3, relative abilities and seniority.

Seniority is based on the length of continuous service with the EMPLOYER, and shall be maintained, but not accrued, during: (1) lay-off not exceeding two years, (2) leave without pay not exceeding ninety (90) calendar days, or (3) military leave according to Montana state law.

Section 3. If a regular (non-probationary) employee is to be subject to layoff, involuntary transfer or non-disciplinary demotion under the terms of Article 8 EMPLOYEE SEPARATION of this AGREEMENT, that employee shall be entitled to a transfer to any vacant position or to bump probationary employees covered by this AGREEMENT, provided the regular employee possesses all the necessary qualifications and work record (which includes, for example, time and attendance records, personnel file contents and job-related supervisory notes) to perform all of the duties of the position. This section shall first be applied within the affected employee's department. If no position is available within the department, this section may be applied to probationary employees and vacant positions in other departments covered by this AGREEMENT.

Section 4. Salary for an employee moving to a lower position as a result of reduction in lieu of layoff shall be established in accordance with Article 23 APPOINTMENTS AND SALARY ADMINISTRATION, Part F of this AGREEMENT.

Section 5. Employees who are laid off under this Article shall have their names placed on a recall list for a period of two (2) years from the effective date of layoff. In the event that a position with the same job description in the same department from which an employee was laid off becomes available, the EMPLOYER will mail a recall notice to the employee at the employee's last known mailing address. The employee will have five working days to accept reinstatement to the employee's former position. If the employee declines this recall or fails to respond to the recall notice, the employee's name shall be removed from the recall list and the employee shall have no further recall privileges. The employee is responsible for ensuring that an accurate and up-to-date mailing address is on file.

An employee who is recalled under this Article will be considered as continuously employed for purposes of calculating vacation leave, sick leave or any other benefits set forth in this AGREEMENT that are based on length of continuous service with Missoula County. The employee will not accrue additional leave benefits for any time during which the employee was laid off prior to recall. The salary for an employee who is recalled under this Article shall be established at the rate it would have been if the employee had not been laid off.

Section 6. A laid-off regular (non-probationary) employee may apply for bargaining unit positions other than the position from which the employee was laid off. If the employee is qualified and capable of performing the duties and responsibilities of such a position, the employee shall have an absolute preference for the position. If two or more laid-off regular employees are substantially equally qualified and capable of performing the work, seniority shall prevail.

The preference provided under this Section is effective beginning on the date on which an employee is notified in writing of the employee's impending layoff, and extends for a period of two years from the effective date of the employee's layoff, or until the employee is placed in a position under this Section, whichever occurs first. During this preference period, the EMPLOYER will mail notices of all vacant county positions to laid-off employees at their last known mailing address.

The salary for an employee who is placed in another bargaining unit position under this Article shall be established as follows:

- If the position is at the same grade level as the position from which the employee was laid off, the salary shall be established as if the employee had not been laid off.
- If the position is at a higher grade level the salary shall be established according to Article 23, Part E.
- If the position is at a lower grade level the salary shall be established according to Article 23, Part F.

Section 7. The EMPLOYER shall send written notice to the FEDERATION regarding any layoff affecting a bargaining unit employee. Such notice shall be sent to the FEDERATION on the same date that it is sent to the employee.

C. DISABILITY

Section 1. The EMPLOYER shall provide reasonable accommodation for employees with qualified disabilities as required by the Americans with Disabilities Act (ADA).

D. RETIREMENT

Section 1. A qualified employee may elect to retire in accordance with applicable State law. A retired employee may continue County health insurance coverage, provided that premium amounts are paid in accordance with policies established by the Plan Administrator.

ARTICLE 9. NO STRIKE / NO LOCKOUT

Section 1. The FEDERATION agrees to the essential nature of services provided by its members in protecting the public welfare. In recognition of this fact, the FEDERATION agrees that there shall be no work interruptions, slowdowns, or strikes, during the life of this AGREEMENT. In the event of unauthorized interruptions, the FEDERATION agrees that it will join the EMPLOYER in notifying its members to return to work immediately. The failure of any employee to comply with this article shall be cause for discipline. The EMPLOYER agrees that there shall be no lock-out of bargaining unit employees.

ARTICLE 10. NON-DISCRIMINATION

Section 1. It is the policy of the EMPLOYER and the FEDERATION to ensure that all employees are treated equally without regard to their race, color, religion, national origin, age, marital status, ancestry, receipt of public assistance, political beliefs, physical or mental disability, ex-offender status, union affiliation, sexual orientation or gender, (unless gender, ex-offender status, or physical or mental disability relates to a bona fide occupational requirement). Such action to implement this policy shall include: employment, promotion, demotion, or transfer; recruitment, or recruitment advertising; separation; rates of pay or other forms of compensation; and selection for training including apprenticeship and/or on-the-job training.

Section 2. In accordance with 49-3-209, M.C.A., it is an unlawful discriminatory practice for a state or local government agency to dismiss, expel, blacklist, or otherwise discriminate against an individual because he/she has opposed any practices forbidden under this chapter or because he/she has filed a complaint, testified, assisted, or participated in any manner in an investigation or proceeding under this chapter.

Section 3. The EMPLOYER shall not discriminate against an employee for his/her participation in FEDERATION activities except that FEDERATION business shall not be conducted during duty hours unless specifically authorized by this AGREEMENT.

ARTICLE 11. HOURS OF WORK

Section 1. The normal work day shall be eight (8) hours and the normal work week shall be forty (40) hours.

Section 2. Employees shall have two (2) consecutive days off in each seven (7) day work week. So far as is practical, the days off shall be Saturday and Sunday except that the EMPLOYER reserves the right to schedule work to a limited extent that may deviate from the normal work week.

Section 3. Employees shall be permitted one 15 minute paid rest break within each four hour work period. The time available for rest breaks may be accumulated and reallocated within the same day with prior approval from the immediate supervisor.

Section 4. Employees shall receive an unpaid one (1) hour meal period which shall be taken near the middle of the eight (8) hour shift. In the event it is necessary that an office remain open during the noon hour, as determined by the Department Head, lunch periods may be staggered between the employees within that department. The supervisor shall determine the work schedules. By mutual agreement between the EMPLOYER and the employee, the length and the time of the lunch period may be altered.

Section 5. Employees in a travel status shall be compensated for such travel in accordance with the Fair Labor Standards Act and Missoula County Travel Policy.

Section 6. Implementation of alternate work schedules is at the department's discretion, based on the following considerations:

- 1) Core hours shall establish when all employees normally work.
- 2) Outside limits on the work day shall be established (e.g., a starting time no earlier than 7:00 a.m. and an ending time no later than 6:00 p.m.).
- 3) Supervisory staff shall be scheduled so that someone with supervisory authority is in the general work area at all times during the normal workday (from 8:00 a.m. to 5:00 p.m.)
- 4) County offices must be open from 8:00 a.m. to 5:00 p.m. daily. Approval of alternate work schedules must be contingent upon maintaining adequate staff coverage during those hours.
- 5) No employee may be regularly scheduled to work in excess of eight hours per day unless under an alternative work schedule established in accordance with this Article and agreed to between the employee and the department.
- 6) The EMPLOYER may establish a basic straight time work week of four (4) ten-hour days provided that a sufficient number of employees will be available during a normal workday, as determined by the EMPLOYER, and the work schedule is in accordance with State Statutes. Parameters of the four (4) ten-hour work week shall be as determined by mutual

agreement between the affected employees and the EMPLOYER, and set forth in a letter of understanding between the EMPLOYER and the FEDERATION. In the event a four (4) ten-hour work week is adopted, the rules and guidelines of such shall take precedence over all other sections affected but not limited to scheduled lunch period, rest period and leave provisions.

- 7) The EMPLOYER may establish basic straight time alternative work schedules in accordance with State Statutes. Parameters of the alternative schedule shall be as determined by mutual agreement between the affected employees and the EMPLOYER for the successful operation of the department's programs, and set forth in a letter of understanding between the EMPLOYER and the FEDERATION. With Department Head approval, part-time employees may alter designated work schedules within any given pay period.
- 8) The Department Head may withdraw approval for alternate work schedules upon twenty (20) working days advance written notice.

Section 7. If the EMPLOYER intends to impose time clocks for bargaining unit employees such a change shall be subject to bargaining in accordance with state law. Any disputes over this section shall be submitted to the Montana Board of Personnel Appeals.

ARTICLE 12. HOLIDAYS

Section 1. Full time employees covered by this agreement shall receive a holiday benefit equal to the number of hours they are regularly scheduled to work for each legal holiday listed below as set forth in 1-1-216, M.C.A. Employees regularly working 10-hour shifts shall receive 10 hours of holiday benefit; and employees regularly working 8-hour shifts shall receive 8 hours of holiday benefit. Part time employees receive a holiday benefit in accordance with Section 5 of this Article.

Section 2.

1. New Year's Day, January 1;
2. Martin Luther King Jr. Day, the third Monday in January;
3. Presidents' Day, the third Monday in February;
4. Memorial Day, the last Monday in May;
5. Independence Day, July 4;
6. Labor Day, the first Monday in September;
7. Columbus Day, the second Monday in October;
8. Veteran's Day, November 11;
9. Thanksgiving Day, the fourth Thursday in November;
10. Christmas Day, December 25; and,
11. State-wide General Election Day in November of even numbered years.

In addition to the above listed holidays, any day or days added by the State Legislature for public employees shall be granted; and any day or days repealed by the State Legislature shall cease to be granted.

Section 3. If a legal holiday falls on a Sunday, the following Monday will be considered the holiday. If a legal holiday falls on a Saturday, the preceding Friday will be considered the holiday. When a legal holiday falls on an employee's day off, the employee shall treat either the last preceding or the next following workday as the holiday.

Section 4. In order to be eligible for holiday pay, employees must be in a pay status on the day immediately preceding or immediately succeeding the holiday.

Section 5. A regular part-time employee covered by this agreement who regularly works less than 40 hours in a work week, or who works varying schedules shall be entitled to holiday pay on a prorated basis. Generally, the employee will have the day off and will receive prorated holiday pay for that day. The EMPLOYER reserves the right to require an employee to work on a holiday. Proration for part time employees shall be based on the average number of hours worked for two full pay periods preceding the holiday.

- A) To calculate the number of hours of holiday pay, add the total number of hours worked in the previous two pay periods and divide the sum by 160 and multiply the result by 8.

Illustrative Example:

Hours Worked PP1 + Hours Worked PP2 / 160 x 8 = Holiday Pay

32 hrs.(PP1) + 56 hrs.(PP2) / 160 x 8 = 4.4 hrs. Holiday Pay

- B) The averaging of pay period hours using this formula for regular part-time employees may result in the employee's total hours for the pay period being more or less than normal. When the calculation results in additional hours, the Department Head may require the employee to take off an equivalent amount of time without pay in the work week to maintain a consistent paycheck. When the calculation results in fewer hours, the Department Head may assign additional hours in the work week or allow the employee to use accrued annual vacation leave or compensatory time to maintain a consistent paycheck. In no case should the occurrence of a holiday cause an increase in the total number of hours normally claimed on an employee's time sheet.

Section 6. All work on a holiday must be approved in advance by the employee's appropriate supervisor or designee. In addition to compensation for the regular holiday benefits per Section 1 above, all hours worked by a regular full time employee on a legal holiday will be included with all hours worked for determining eligibility for overtime compensation in accordance with Article 29 of this AGREEMENT. Part-time, non-exempt employees covered by this AGREEMENT, who are required to work on a holiday by their supervisor, shall be paid a premium rate of time and one half their regular hourly rate of pay for each hour worked on the holiday.

Section 7. An employee is not eligible for holiday pay when:

- A) The employee is a new employee to Missoula County reporting for the first day of work on the day immediately following a holiday.
- B) The employee is recalled from layoff, returns from leave of absence without pay, or is called back to work to a seasonal position on the day immediately following a holiday.

ARTICLE 13. ANNUAL VACATION LEAVE

Section 1. Annual vacation leave shall be earned, credited and used in accordance with 2-18-611, M.C.A.

Section 2. All employees shall accrue annual vacation leave credits from the first day of employment. Annual vacation leave credits earned shall be credited at the end of each pay period.

Section 3. Unless the employee has been continuously employed for a period of six (6) calendar months, no employee shall be entitled to use any annual vacation leave with pay and no employee shall be eligible for a lump sum payment for unused annual vacation leave credits upon separation.

Section 4. Regular part-time employees shall accrue annual vacation leave credits on a prorated basis, according to the following table, provided they have worked the qualifying period:

<u>YEARS OF EMPLOYMENT</u>	<u>LESS THAN 80 HOURS PER PAY PERIOD</u>
0-10 years	.058 x no. hours
10-15 years	.069 x no. hours
15-20 years	.081 x no. hours
20 years +	.092 x no. hours

Section 5. An employee may not accrue annual vacation leave credits while in a leave-without-pay status.

Section 6. Annual vacation leave credits are earned at a yearly rate calculated in accordance with the following schedule, which applies to the total years of an employee's employment with any State of Montana, city or county agency whether the employment is continuous or not.

<u>YEARS OF EMPLOYMENT</u>	<u>ANNUAL VACATION LEAVE CREDIT (DAYS)</u>
1 day through 10 years	15
10 years through 15 years	18
15 years through 20 years	21
20 years on	24

For the purpose of determining years of employment under this section, an employee eligible to earn annual vacation leave credits under 2-18-611, M.C.A., must be credited with one (1) year of employment for each period of two thousand eighty (2,080) hours of service following the

employee's date of employment. An employee must be credited with eighty (80) hours of service for each biweekly pay period in which the employee is in pay status or on an authorized leave of absence without pay, regardless of the number of hours of service in the pay period.

Section 7. Absence from employment by reason of illness shall not be chargeable against unused annual vacation leave credits unless approved by the employee.

Section 8. Annual vacation leave may be accumulated to a total not to exceed two (2) times the maximum number of days earned annually as of the last day of any calendar year. Any balance of annual vacation leave over two (2) times the maximum days earned annually as of December 31 of any given year shall be forfeited without pay unless taken within ninety (90) calendar days from the last day of the calendar year in which the excess was accrued. If the employee submits a reasonable request prior to March 30 of any given year to use the excess annual vacation leave, and such request is denied, the employee shall not forfeit the leave and shall have until the end of the calendar year to use the excess annual vacation leave. Upon termination of employment with the EMPLOYER, any employee who has worked the qualifying period shall be paid for any unused annual vacation leave credits at the rate of pay in effect at the time of separation.

Section 9. An employee who terminates his/her employment for reason not reflecting discredit on himself/herself shall be entitled upon the date of such separation to cash compensation, at the rate of pay in effect at the time of separation, for unused annual vacation leave, assuming that the employee has worked the qualifying period set forth above.

Section 10. Annual vacation leave taken over a legal holiday shall not be charged to an employee's annual vacation leave for that day.

Section 11. Scheduling of annual vacation leave shall be accomplished by cooperation between the employee and the employee's supervisor, giving consideration to the employee's needs and the needs of the EMPLOYER.

ARTICLE 14. SICK LEAVE

Section 1. Sick leave is intended to maintain an employee's income during a period of personal illness or family emergencies, as set forth in this AGREEMENT.

Section 2. As provided by State law, each employee shall earn sick leave credits from the first full pay period of employment at the rate of one (1) working day per month without restriction as to the number of working days which may be accumulated. For calculating sick leave credits, two thousand eighty (2,080) hours shall equal one (1) year, and proportionate sick leave credits shall be earned and credited at the end of each pay period.

Section 3. An employee may not accrue sick leave credits during a leave of absence without pay. Employees are not entitled to use or be paid for sick leave under the provisions of this AGREEMENT until they have been continuously employed for ninety (90) days. Upon completion of the qualifying period the employee is entitled to the sick leave credits earned.

Section 4. Part-time employees shall earn sick leave credits on a pro-rated basis provided they have worked the qualifying period.

Section 5. Upon separation, employees who have worked the qualifying period shall be entitled to be paid an amount equal to one-quarter ($\frac{1}{4}$) of the amount attributed to the accumulated sick leave. Such pay shall only apply to those credits earned since July 1, 1971. Failure to report such leave as soon as possible shall be considered absence without leave and a deduction from the employee's pay shall be made for the period of such leave. Such absences are grounds for disciplinary action including dismissal.
- B) Abuse of sick leave shall be cause for dismissal, forfeiture of payment for any accumulated sick leave, or other disciplinary action. The EMPLOYER reserves the right to investigate, require medical statements, and to contact the employee's physician if there is reason to suspect abuse. The EMPLOYER reserves the right to investigate at any time when abuse is suspected or to verify continued absences for scheduling purposes. Section 3. Employees who are in a Federation covered position and have obtained five (5) years of service with the Employer as of June 30th, 2021 (FY21), shall be eligible for a onetime payment equal to one additional step in the matrix (calculated on 2080 hours for fulltime

employees and prorated for less than fulltime employees), to be paid as a lump sum amount in the second pay period following the signing of this agreement. Employees must be actively employed in the Federation at the time these payments are made. Should the Employer not have sufficient revenue to cover the costs of the lump sum payments, for employees reaching their fifth (5) year of employment, in any given year, the Employer will notify the bargaining unit prior to the end of the fiscal year and negotiate how this should be handled. After the initial year, and subject to the availability of funds or bargaining as specified in this section, beginning July 01, 2022, Human Resources will calculate employees who have reached their fifth (5) consecutive year of employment in the Federation, twice per year on July 1st and January 1st and shall provide these payments in the last pay period August and the last pay period of February. Payments will be made bi-annually in arrears. Employees are eligible to receive only one 5-year lump sum payment.

A) In the initial year, FY21, employees are eligible for the lump sum payment if they were in a Federation position on 6/30/21 and have 5 years of service with the Employer as of 6/30/2021. Employees must be actively employed in a Federation covered position at the time the payments are made.

B) After the initial year, employees are eligible for the lump sum payment when they have attained 5 consecutive years of service in the Federation. Eligible years of service in Federation position must be continuous up to and including the date the lump sum payment is made.

Section 4. A non-probationary employee who receives written approval from the employee's department head shall receive an additional \$0.75 per hour for receiving and maintaining a certification, license or degree in an area directly related to the employee's job duties. The eligible certification, license or degree may have been received prior to or during employment with the EMPLOYER. Certification or license shall be issued by a nationally certifying institution or state or federal government agency. Degrees shall be from a college or university accredited by an agency recognized by the US Department of Education. This section does not apply to certification, license or degree that is required as a condition of employment. An employee may be approved for two certifications, licenses or degrees every two years, up to a maximum of four certifications, licenses or degrees. The two-year period shall commence on the effective payment date for the second approved certification, license or degree.

Section 5. At the sole discretion of the department head, and subject to available funding in that department's current fiscal year budget, non-probationary bargaining unit employees shall be eligible for a meritorious bonus for exceptional job performance. Such meritorious bonus shall be in the form of a one-time lump sum payment and shall not be added to the employee's hourly rate of pay.

Bilingual Pay: A non-probationary employee who passes a verbal/written fluency test, approved and provided by the Employer, in a foreign language or ASL, will receive an additional \$0.75 per hour. The department head with the HR Director's approval shall have sole discretion to authorize bilingual pay, and to determine languages that qualify for bilingual pay.

B. NEW HIRE AND CURRENT EMPLOYEE

Section 1. The normal rate of pay for newly-hired employees shall be Step 1 for each grade level, as set forth in Addendum "A."

Section 2. The EMPLOYER may authorize an exception to the normal entry rate of pay for a newly hired employee, provided such pay exceptions do not require additional funding during the current fiscal year. Such exceptions must be based on documented previous experience directly related to the job, or in response to a failed effort to fill the position at the entry rate of pay. Such a pay exception may not exceed advanced placement of one (1) additional step for every two (2) years of prior experience for a maximum of five (5) steps. The Employer shall notify the FEDERATION by providing a copy of the employee's new hire letter noting the pay exception. The FEDERATION reserves the right to propose adjustments for other bargaining unit employees within the same department and with the same job description. Should the FEDERATION request bargaining over such adjustments in a timely manner, the EMPLOYER will bargain in good faith as required by state labor laws. Any disputes over this section may be submitted to an impartial arbitrator for a binding decision.

C. APPOINTMENTS BELOW MINIMUM RATE

Section 1. When all applicants for a vacant position do not meet the minimum qualifications listed or when a position requires in-depth, specialized training, the Department Head may request the approval of the Director of Human Resources to develop an on-the-job training assignment.

Such assignments are subject to the following guidelines:

- A) Conditions of the assignment shall be stated in writing and the agreement signed by the employee, supervisor, and Department Head. A copy of this letter shall be sent to the FEDERATION.
- B) The written training assignment shall state the anticipated duration of the assignment and shall outline the training plan to be utilized.
- C) A training assignment shall not be authorized in excess of one (1) year, and the employee shall be compensated at a rate of pay not to exceed ten percent (10%) below Step 1, established for the position for the duration of the training assignment.

Section 1. There shall be no change in the rate of pay for an employee who transfers to another position in the same pay range. In a transfer to a position in the bargaining unit from a position outside the bargaining unit, the transferred employee shall be placed in the step closest to maintaining the employee's relative position in the pay grade (percentage over the base of the grade).

E. PROMOTIONS

Section 1. Regular (non-probationary) employees who are promoted to positions covered by this AGREEMENT shall be placed at the step that comes closest to but is not less than a ten percent (10%) increase or shall be placed at the step 2 of the new grade, whichever is greater.

Calculation of this increase shall be based on the employee's former rate of pay in grade, exclusive of any longevity increment. The parties agree that they will not request a pay adjustment for any other bargaining unit employee(s) as a result of the application of the percentage increase provided under this Section, even if such an increase results in a perceived internal inequity. The FEDERATION will be informed when employees receive promotional increases.

Section 2. Probationary employees who are promoted shall be placed at their current step in the higher grade.

Section 3. The provisions of Section 1 do not apply when an employee specifically moves from a position designated as a "trainee" to the position designated for advancement upon completion of "trainee assignment." In these cases, the employee will be placed in the same step in the higher pay grade as the employee was placed in the lower pay grade.

F. DEMOTIONS

Section 1. When an employee voluntarily requests a demotion and the demotion is subsequently approved, or when an employee is demoted for administrative reasons, or is reclassified to a lower pay range, the salary of the employee shall be placed at the step that comes closest to maintaining the employee's relative position in the pay grade (percent over the base of the grade). When an employee is demoted for disciplinary reasons, the employee shall be placed in a step that results in at least a 10% reduction in pay.

Section 2. In the event an employee is demoted as a result of a reduction in lieu of layoff, or for administrative reasons or is reclassified to a lower pay range, the incumbent employee(s) shall not have their salary reduced for a period of ninety (90) working days after the demotion takes effect to allow the employee sufficient time to make necessary financial adjustments.

G. RECLASSIFICATION

Section 1. Any employee in a position covered by this AGREEMENT may request a review of their position classification by submitting a request in writing to their department head. If a review is approved and supported by the department head, the request shall be forwarded to the Human Resources Office to be handled in accordance with County policy on classification reviews.

Section 2. When a position is reclassified to a higher pay range or when a non-probationary employee is reclassified to a position within a higher pay range, the incumbent employee shall be placed at the step that comes closest to but is not less than a ten percent (10%) increase or shall be placed at the step 2 of the new grade, whichever is greater.

Section 3. Employees in bargaining unit positions that are reclassified downward as a result of a change in duties and responsibilities shall not have their salaries reduced for a period of thirty

(30) days per grade change, with a maximum of ninety (90) calendar days. If an employee's position is reclassified downward with no change in duties and responsibilities, the employee's salary shall not be reduced. The new pay rate shall be in accordance with Part F (Demotions), Section 1 above.

Section 4. Upon completion of a classification review for a current employee, and within 10 days of the HR Director signing the classification results form, the UNION will be provided a copy of the classification results form.

H. TEMPORARY ASSIGNMENT

Section 1. Any employee temporarily assigned by the EMPLOYER to perform work in a higher classification for at least two full weeks (80 hours) shall be entitled to a base salary increase of ten (10) percent or step 1 of the higher pay range, whichever is greater. Such increase shall become effective at the beginning of the temporary assignment and shall remain in effect until the temporary assignment has ended.

I. PART-TIME EMPLOYMENT

Section 1. Pay for part-time employees shall be in accordance with the classification of the position being occupied and shall be based upon the number of hours worked.

J. PROBATIONARY PERIOD FOR NEW EMPLOYEES

Section 1. All initial hire appointments to positions in the bargaining unit shall require a probationary period of up to six (6) months, at the department head's discretion. One extension of up to three (3) months may be made at the Department Head's discretion. When the probationary period is extended, the Department Head shall notify the employee in writing before the end of the established probationary period that the probationary period has been extended and shall specify the length of the extension. In the event a new employee does not satisfactorily complete the probationary period, as determined by the Department Head, the employee shall be dismissed without the necessity of showing of cause by the Department Head. Upon satisfactory completion of the probationary period, as determined by the department head: (1) an employee shall attain regular status, and (2) the employee's base salary shall be increased to the next higher step of the applicable pay range. This end-of-probation increase shall be effective the first day of the pay period during which the employee completes the probationary period.

Section 2. Should a probationary employee be dismissed, the reasons for the dismissal shall be communicated to the employee. Probationary employees shall not have access to the grievance procedure contained herein for dismissal during the probationary period.

Section 3. A probationary period shall not include any leave of absence or time served by the employee under a temporary, short-term, or intermittent/on-call appointment.

Section 4. An employee who has not completed the probationary period and is promoted shall be required to complete a new six-month probation period.

K. EMPLOYEE PERFORMANCE EVALUATIONS

Performance evaluation reports shall be reviewed with the employee by the employee's supervisor or department head. Performance evaluation reports on regular (non-probationary) employees shall be made annually. Employees may attach a written response to the performance evaluation within twenty (20) working days.

L. VACANCIES

Section 1. Except in cases where a layoff pool exists and the provisions of Article 8 apply, as vacancies occur the EMPLOYER agrees to post notices of the opening for a minimum of five (5) working days. Promotions will be made by the Department Head on the principles of merit based on demonstrated qualifications. Should two or more applicants be judged to have equal qualifications for a position, the senior applicant shall be appointed. Promotions within a department or a division may be made without the necessity of posting notices in-house as long as each employee within the department has been informed in writing of the vacancies and has had the opportunity to be considered for the position if qualified. Vacancy notices will describe the position and its location. Notices will be posted electronically and sent to the department in which the vacancy occurs. The union Secretary will also be sent an electronic copy at the time of the posting.

Section 2. If at least two (2) internal applicants meet minimum qualifications, they shall receive first consideration, including participation in first interview or other selection processes.

Section 3. If fewer than two (2) applications are received by the human resources office from internal regular status employees who meet the minimum requirements, any lone applicant who meets the minimum qualifications will receive consideration with the total pool of applicants, including an interview.

Section 4. Internal applicants may request written confirmation that their applications were received.

Section 5. For the purposes of Sections 1-4 immediately above, 'internal applicants' refers to FMCE bargaining unit employees only and excludes other non-bargaining unit employees of Missoula County.

M. JOB DESCRIPTIONS

Section 1. Job Descriptions for all bargaining unit positions shall be available upon request in the Human Resources Office. The development of such job descriptions shall be the exclusive purview of the EMPLOYER, however, the FEDERATION and the affected employee shall be notified, in writing, of any changes in such job descriptions at least ten (10) calendar days before such changes become effective. Should the FEDERATION request to meet to discuss any changes in a job description covering any bargaining unit position, the EMPLOYER agrees to meet within ten (10) calendar days.

Section 2. When job titles are eliminated or changed, FMCE will be notified in accordance with section 1 of Part M, and the job title will be removed from Addendum A.

N. DRESS CODES

Section 1. If the EMPLOYER intends to establish or modify a dress code policy covering a bargaining unit employee, the EMPLOYER shall provide advance written notice to the FEDERATION. In lieu of overtime pay, and with mutual agreement between the employee and the supervisor, an employee may receive one and one-half hours of compensatory time for each hour worked in excess of forty (40) hours per week.

Section 2. If an employee is required to work hours that exceed those the employee is regularly scheduled to work, the EMPLOYER may not unilaterally adjust the employee's regularly scheduled shift in the same work week to avoid the payment of overtime. This does not apply in situations where an employee and supervisor mutually agree to flex the employee's schedule within a forty hour work week.

Section 8. Except in situations of emergency, employees will not receive less than four (4) hours advance notice of any requirement to work beyond their regularly scheduled daily hours. Employees given less than four (4) hours' notice shall not be mandated to work beyond their regularly scheduled daily hours.

B. EXEMPT EMPLOYEE OVERTIME COMPENSATION

Section 1. Exempt employees shall be provided compensatory time off for all hours worked in excess of forty (40) hours per week at the rate of one (1) hour for each hour worked in excess of forty (40). Exempt employees may accrue up to eighty(80) hours of compensatory time without prior approval. Exempt employees who have accrued eighty (80) hours of compensatory time must receive prior approval before accruing additional compensatory time. No compensation for unused compensatory time shall be allowed at any time.

Section 2. Absences while in a leave status (i.e., sick leave, annual vacation leave, personal leave, paid holiday time, or compensatory time off) shall constitute time worked in calculating overtime compensation or compensatory time in lieu of overtime pay.

C. COMPENSATION FOR EMPLOYEES IN AN ON-CALL STATUS

Section 1. Employees required to be in an on-call status on the employee's regularly scheduled work day shall be compensated at the rate of \$35.00 per day. Employees required to be in an on-call status on the employee's regularly scheduled day off shall be compensated at the rate of \$55.00 per day. Employees required to be on-call on Saturday and/or Sunday shall be compensated at the rate of \$55.00 per day. On-call status is defined to mean that the employee is required to carry a pager and be accessible to 9-1-1 dispatch, or be accessible by telephone. When called out, such employees will be paid mileage at the state rate for travel to and from the job site.

An employee who is called out and reports for duty in accordance with this section shall be paid one and one-half times their hourly rate. Employees called out and reporting for duty on the following holidays shall be paid two times their hourly rate: Thanksgiving Day, Christmas Day, New Year's Day, Memorial Day, Independence Day, and Labor Day.

An employee called out will be guaranteed no less than two (2) hours of pay whether or not he/she is required to be in "on-call status."

Section 3. The eligibility date for purposes of Article 30 LONGEVITY of this AGREEMENT shall be the employee's date of hire with Missoula County.

ARTICLE 31. EMPLOYER EMERGENCY COMMUNICATIONS

Section 1: In order to communicate with employees around emergency events that might impact the employees worksite, adjacent worksites, or the employees ability to report to work, the Employer will provide communication through either the use of a smart phone app, County email, or text (sms/mss) messaging. In order to facilitate these communications employees are strongly encouraged to provide a cell phone number to the Employer for the purposes of these communications. Employees who elect not to provide a cell phone number, or fail to update the Employer of cell phone number changes, recognize that the Employer may not be able to communicate emergency messages to them, including during active emergencies occurring at their worksite.

ARTICLE 32. GRIEVANCE PROCEDURE

Section 1. A grievance is any controversy between the parties to this AGREEMENT which pertains to any matter involving interpretation, violation or misapplication of any of the provisions of this AGREEMENT.

The EMPLOYER agrees that the FEDERATION may pursue all complaints through the appropriate channels.

Section 2. The presentation of a grievance shall be considered the right of each employee without fear of reprisal.

Section 3. Any grievance must be presented to the employee's supervisor, in writing, either within ten (10) working days of the occurrence or ten (10) working days of the employee's

learning of the occurrence. The grievance shall set forth in writing the facts and the specific provision of the AGREEMENT allegedly violated or the dispute, complaint, problem, issue, or question existing and the specific relief sought. Any grievance which is not filed within this time limit shall be invalid and without further recourse. Failure to file or advance the grievance according to the established procedures and times shall cause that party to waive the right to respond to that level. If the employee or FEDERATION fails to respond, the grievance shall be canceled. If management fails to respond, the employee may proceed to the next level of the procedure. Time limits or procedural steps may be waived upon mutual, written agreement by both the employee and the Director of Human Resources.

LEVEL 1: The supervisor shall respond to the grievance within five (5) working days after receiving it.

LEVEL 2: In the event the grievance is not resolved in Level 1, the grievance may be presented, in writing, to the employee's Department Head within ten (10) additional working days. As part of the attempt to resolve the grievance, the Department Head, Employee or Federation may request a meeting. If a meeting is requested, it shall be scheduled within five (5) working days of the request. A written response to the grievance shall be provided to the employee within five (5) working days of the meeting. At no time shall more than ten (10) working days elapse from the employee submitting the grievance to the Department Head for resolution without an extension being approved by both the Federation and the Employer.

LEVEL 3: In the event the grievance is not resolved at Level 2, the employee may present the grievance to the Board of County Commissioners within ten (10) working days after the Department Head responds in Level 2. The Board of County Commissioners shall have ten (10) working days to resolve the grievance.

Section 4. Any dispute which has not been resolved by the above grievance procedure may be submitted to arbitration by the aggrieved party provided it is submitted in writing within ten (10) working days after the Board of County Commissioners responds in Level 3. The aggrieved party shall notify the other party in writing of the matter to be arbitrated and the specific contract provisions allegedly violated. Once a grievance is submitted to arbitration under this Section, the parties shall have twenty (20) working days from the date of submission to either mutually agree to an arbitrator or to petition the Federal Mediation and Conciliation Service (FMCS), as set forth in Section 5 below.

Section 5. The parties shall select an impartial arbitrator who shall be agreeable to the EMPLOYER and the FEDERATION. In the event that the parties to the dispute are unable to agree upon the selection of an arbitrator, the Federal Mediation and Conciliation Service shall be requested to provide a list of five (5) names. Each party to the dispute shall alternately strike names with the party bringing the grievance striking the first name, until one remains and that person shall be designated the arbitrator. The arbitrator shall consider the grievance and shall render a decision within twenty (20) days of the date of receipt of the grievance.

Section 6. The arbitrator shall not have the power to detract, modify or amend this AGREEMENT in any way.

Section 7. The decision of the arbitrator shall be binding upon all parties concerned.

Section 8. Each party shall bear the fees and expenses of the presentation of its own case. The fees and expenses of the impartial arbitrator shall be shared equally between the parties.

Section 9. In the event one of the parties to the arbitration wants a transcript of the arbitration proceedings, the party requesting the transcript shall pay the cost of such transcript.

Section 10. In computing any period of time prescribed or allowed by procedure herein, the date of the act, event or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday or a legal holiday. Time limits designated in Article 31 GRIEVANCE PROCEDURE of this AGREEMENT may be extended by mutual agreement between the parties involved.

Days: Reference to days regarding time periods in this procedure shall refer to workdays, excluding Saturdays, Sundays and holidays.

ARTICLE 33. LABOR-MANAGEMENT COMMITTEE

Section 1. In order to facilitate communication and resolve issues of mutual interest, it is agreed to establish a labor-management committee to confer on day-to-day work-related problems or issues. The employer and the union shall each establish the composition of their respective committees of up to four (4) members each. Meetings will be held upon the request of either the employer or the bargaining unit, at a date and time as mutually agreed to between the parties. Requests for meetings will be made to the Human Resources Director.

Section 2. The request for a meeting must contain an agenda of the items to be discussed. It is understood that this committee does not discuss items that are currently subject to the grievance procedure or items which are currently in the collective bargaining process. It is further understood that the purpose of the committee is to meet and confer and to act only in an advisory role.

ARTICLE 34. SEVERABILITY

Section 1. If any article, paragraph, subdivision, phrase or other portion of this AGREEMENT is determined or declared to be contrary to or in violation of any Federal or Montana law, the remainder shall not be affected or invalidated.

ARTICLE 35.
TERM OF AGREEMENT

Section 1. This Agreement shall become effective and be in force from July 1, 2024 and shall remain in full force and effect to and including June 30, 2026. This Agreement shall remain in effect year to year after June 30, 2026 unless one of the parties serves a written notice of proposed change upon the other party on or before March 15, 2026, or March 15 of the year in which the agreement is set to expire.

ARTICLE 36.
EMBODIMENT

Section 1. It is agreed by the parties who have hereto executed this AGREEMENT that this contract sets forth the entire AGREEMENT between the EMPLOYER and the FEDERATION and that during the course of collective bargaining each party had the unlimited right to offer, discuss, accept or reject proposals and, therefore, for the term of this contract no further collective bargaining shall be had upon any provision of the AGREEMENT unless mutually agreed by both parties, nor upon any proposal which was offered and discussed but was not made a part of this AGREEMENT. Furthermore, there shall be no verbal or written AGREEMENT between the EMPLOYER and the FEDERATION in violation or contravention of this contract.
